## MISSION

---

Beacon College was incorporated as a nonprofit 501(c) (3) institution of higher learning on May 24, 1989. The concept for the College was put forth by a group of parents concerned about higher education opportunities for students with learning disabilities. Responding to this concern, the initial trustees founded Beacon College. The College embraces the student with learning disabilities by providing educational opportunities that acknowledge individual learning differences.

**The mission of Beacon College is to offer academic degree programs to students with learning disabilities.**

To accomplish its mission, the College provides Associate of Arts and Bachelor of Arts programs in Computer Information Systems, Human Services, and Liberal Studies as follows:

- *The Computer Information Systems Program* offers students the opportunity to learn about the latest technology used in today's marketplace, as well as explore the vast number of career choices available to those skilled in this area. Students are able to choose one of the two tracks to meet their specific career goals: *The Information Systems Track or the Web and Digital Media Track*.
- *The Human Services Program* provides a comprehensive knowledge of the theoretical foundations of the social sciences and offers practical experience in the professional fields associated with public and community services. This major field of study focuses on psychological approaches to understanding the holistic development of individuals, families, and communities.
- *The Liberal Studies Program* provides a broad-based liberal arts education for students seeking intellectual and personal change. Liberal Studies exposes students to a variety of subjects designed to establish a basis for effective lifelong learning and attainment of personal goals.

The purpose of the College is to provide a quality undergraduate education, which facilitates academic and personal success. In order to achieve its purpose, the College strives to provide a learning environment that:

- Develops self-awareness through comprehensive programs designed to foster intellectual, social, and emotional growth;
- Emphasizes the development of individualized learning strategies and study skills which contribute to the academic success of the student;
- Enables students in developing the critical thinking and communication skills necessary for meaningful engagement in society;

- Demonstrates a commitment to academic excellence, service learning, and development of responsible leadership;
- Assists students in preparing for the workplace through the refinement of career goals and development of professional skills.

\*Students with specific learning disabilities as defined by IDEA 2006 and does not include those learning problems which are due primarily to visual, hearing, motor handicaps, intellectual disabilities/mental retardation, emotional disturbance, environmental disadvantage, or other exceptionalities.

# **PHILOSOPHY, VISION, AND VALUES**

---

## **PHILOSOPHY STATEMENT**

We, the members of the Beacon College Community, take pride in the special mission of our Institution. To that end, we are committed to providing quality academic programs with appropriate accommodations and educational support services for students with learning disabilities. We recognize that individuals learn at different rates and in different ways, and it is our responsibility to utilize the teaching methodologies that facilitate learning while meeting the needs of a diverse student population. We believe it is the responsibility of the College to assist students in determining realistic goals and discovering personal abilities and interests.

Beacon College is dedicated to providing a quality educational experience that values diversity, ensures student engagement, cultivates critical thinking, promotes social responsibility, and encourages intellectual curiosity. We believe our living/learning environment transforms the entire campus into a classroom where students thrive and realize their potential.

## **VISION**

Beacon College is proud of its tradition as the premier postsecondary educational institution dedicated to the success of students with learning disabilities. Our exemplary programs set the standard to encourage students to maximize their potential through innovative instruction and a vibrant living/learning environment. Beacon College will continuously strive to provide leadership in the field of learning disabilities while educating our students in a caring and supportive college community.

## **VALUES**

Beacon College is an institution of higher learning dedicated to:

- Excellence;
- Diversity and respect for diversity;
- Integrity in the delivery of services;
- A culture of community service and social engagement;
- Transitional programs that guide students toward successful outcomes;
- A living/learning environment that fosters critical thinking and self-determination.

## **GENERAL INFORMATION**

---

### **LOCATION**

Beacon College is located in Leesburg, Florida approximately 50 miles northwest of Orlando. The Orlando International Airport accommodates students traveling from a distance to our campus.

### **CAMPUS**

Beacon College offers students many opportunities to participate in community life. The small-town Main Street environment offers students ready access to goods and services and encourages their self-reliance and independence. The community also functions as a resource for field placement, recreation, and opportunities for public service. The Administration and Education Buildings, Learning Resource Center, Financial Aid Office, Business Office, Dining Hall, Student Center, Library, Center for Student Success, Writing Center and Counseling Center are all within easy walking distance. The Beacon College Village Apartments serve as the College's residence halls and provide the opportunity for students to live in a community setting while attending college. The Beacon College Village Apartments have a swimming pool, tennis court, and basketball court offering students recreational choices and the opportunity to relax with their peers.

### **LEESBURG COMMUNITY**

Cultural enrichment is a hallmark of Lake County, Florida which is known for its community interest in the arts. Frequent art and theatre shows are sponsored by local associations and theatre groups. Leesburg devotes fifteen percent of its land area to parks and recreation activities: swimming pools, tennis, shuffleboard and racquetball courts, ball fields, picnic pavilions, fishing, and biking and jogging trails. The county boasts over 1400 lakes, which provide nearly year-round water skiing, boating, and fishing.

The Leesburg Police Department headquarters is located directly behind the Beacon College campus. From two fire stations, certified fire fighters offer protection throughout Leesburg. The Leesburg Regional Medical Center, rated as one of the top one hundred regional medical centers in the United States, forms the nucleus of Leesburg's comprehensive medical and health services and is located within one mile of the campus buildings. A fully-staffed emergency service is operated around the clock.

# ADMISSIONS

---

Beacon College accepts students on a rolling admissions basis with a preferred application deadline of May 1<sup>st</sup> for fall applicants and November 1<sup>st</sup> for spring applicants. Candidates who apply after the priority admissions deadline are processed on a space available basis.

## GENERAL ADMISSIONS PROCEDURE

### Admission Criteria

The Beacon College Admissions professionals conduct a highly individualized assessment of each candidate's application and documentation. Criteria for admission include:

- Diagnosis of a specific learning disability or attention deficit/hyperactivity disorder
- Average to superior intelligence as measured with a cognitive assessment conducted by a licensed psychologist, neuropsychologist, or school psychologist; or a certified school psychologist.
- Candidates must be socially mature and have demonstrated motivation to complete the academic requirements of an accredited college. These qualities are assessed in interviews with the professional staff and through psychological evaluations.

### United States Citizens

The Beacon College Admissions Committee makes all candidacy decisions. In order to give each candidate full consideration, the Committee evaluates applicant files only when they are deemed complete. **To complete requirements for admission, applicants must submit the following items:**

1. Completed admission application, together with a nonrefundable fee of \$50.00
2. An official high school transcript with documentation of standard diploma or GED.
3. Official transcripts from any other colleges attended.
4. A recent psycho-educational evaluation that provides clear evidence of a specific learning disability and/or AD/HD. The date of the report must be less than 3 years from the current date.

### International Non-immigrant Students

*Beacon College is authorized under Federal law to enroll non-immigrant students.*

1. Complete above requirements steps 1-4. The completed application may be scanned and emailed to [admissions@beaconcollege.edu](mailto:admissions@beaconcollege.edu), faxed to 011-1-352-787-0796, or mailed to Beacon College, 105 East Main Street, Leesburg, FL 34748, USA.
2. Official Educational Documentation.
  - a. Official high school transcript(s) \*Please note that not all diploma types are acceptable for admission. Attendance at an international secondary school that uses a grading system different than the United States system will require a transcript evaluation. The agency listed below (Josef Silny & Associates) performs such evaluations. Evaluations are to be sent directly to Beacon College. All payments for any evaluation of school documents should be paid directly to the agency.
  - b. Official college transcript(s) – required for all colleges attended. Attendance any colleges or universities not within the United States, require a translation and evaluation of work completed at each institution. Transcripts should be sent to the agency listed below (Josef Silny & Associates) for a course-by-course evaluation and a request made that evaluations be sent directly to Beacon College. *Enrollment is contingent upon receipt of an evaluation of official and final high school transcript.*

Josef Silny & Associates  
7101 SW 102<sup>nd</sup> Ave., Miami, FL 33173-1364  
Telephone 011-1-305-273-1616 [www.jsilny.com](http://www.jsilny.com).

3. Foreign Student Financial Statement. All students seeking admission to Beacon College must complete and submit the *Foreign Student Financial Statement* with the application.
4. English as a Second Language. For students in which English is not the first language, the results of the TOEFL (Test of English as a Foreign Language) is required. Current Beacon College admissions requirements are a score of **550** on the paper-based test, **213** on the computer-based version, or **80** on the internet-based version. Information about this examination can be obtained from TOEFL, P.O. Box 3151, Princeton, New Jersey, 08541-6151, at [www.toefl.org](http://www.toefl.org), or by speaking with a secondary school or university advisor. **Please note** that, as an English speaking community, English proficiency is required for participation in Beacon College programs.
5. Health Insurance. It is mandatory that all international students have health insurance. Please visit [www.insuranceforstudents.com](http://www.insuranceforstudents.com) to find the costs and apply for the insurance. Once accepted to Beacon College, proof of insurance is required to complete the admissions process

## ADMISSIONS DECISIONS

### Assessments

Students minimally meeting academic standards will have a brief reading and writing assessment during the admissions visit.

### Acceptance

Upon acceptance, the candidate is notified by mail. Enrollment contracts with specified deposit deadlines are mailed to each candidate with the acceptance letter. Candidates are required to submit a completed, signed contract along with a non-refundable deposit of \$250.00 to reserve a seat for the coming semester. This enrollment deposit is applied toward the candidate's first semester tuition bill.

### Provisional Acceptance

A special provision in the admissions process is made for candidates who may not meet minimal requirements for admissions, but demonstrate academic potential and motivation to complete a degree program. Based on the potential for success provided by remedial interventions, students may attend Beacon College with provisional acceptance.

Provisionally accepted students may take twelve (12) credits and are required to complete College Readiness/Developmental course work prior to seeking full admission. For credit-bearing courses, the provisionally accepted students must maintain a GPA of 2.0 during the first academic year. At the end of the first academic year, if the 2.0 GPA is maintained, the provisionally admitted student will be removed from provisional status. If the 2.0 GPA is not maintained, the provisionally admitted student may be dismissed from the College.

To improve the potential for academic success, the provisionally accepted student must meet weekly with a learning specialist, meet monthly with a Department Chair, and attend supplemental instruction sessions as applicable. Monitoring of the support activities of the provisionally admitted student will be conducted through the Center for Student Success in collaboration with the Office of Academic Affairs.

**Hold**

As a result of the evaluation process, the Admissions Committee may determine that it needs additional information in order to give a candidate full consideration. In this instance, a candidate's applicant file will be placed on "Hold" until receipt of the specified information and/or documentation. Once received, the candidate's file will be resubmitted to the Admissions Committee for further consideration. Applicants are notified in writing if/when the status of their candidacy changes. Hold status will remain in effect for one semester after which a candidate must submit a new application and supporting documentation.

**Denial**

The College reserves the right to refuse admission to any candidate it considers inadequately qualified or whose documents do not note a learning disability as the primary handicapping condition. If a candidate wishes to appeal a denial, the candidate may do so by petitioning the Admissions Committee in writing. A letter requesting further consideration along with additional and/or updated information should be forwarded to the Admissions Committee in care of the Office of Admissions.

**Decline**

Accepted candidates are asked to send a letter advising that they have chosen another college and are declining enrollment.

**Application Materials**

All submitted application materials become the property of Beacon College. Beacon College reserves the right to refuse to return any materials submitted in regard to a candidate's application and/or appeal.

**NOTICE OF NONDISCRIMINATION POLICY**

Beacon College admits students of any race, color, national, or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the College. Beacon College does not discriminate on the basis of race, color, national or ethnic origin, sex, religion, creed, or sexual orientation in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic or other school-administered programs.

**TRANSFER INFORMATION****Transfer Students**

A student is designated a transfer student if the student matriculates at Beacon College with at least 9 semester credit hours earned at a regionally accredited institution, or CLEP scores; and the earned credit is accepted by Beacon College. All other students matriculate as new students.

**Transfer of Credits**

The student is responsible for requesting an official transcript from any college previously attended. Beacon College admits transferring students to such standing from institutions of higher learning as is reasonable in terms of their past course work and performance. The course work must be verified by receipt of official college transcripts from the student's previous institution(s). A transfer applicant may not disregard previous college and university records. Beacon College accepts credit only from regionally accredited institutions and programs and awards semester credit hours only. Official documentation required for transfer of credits must be submitted prior to the last day of the first academic term.

Transfer credits may be considered for acceptance with a grade of C or better, but cannot exceed 30 credits for the A.A. Degree or 60 credits for the B.A. Degree. Therefore, at least 30 credits for the A.A. Degree and 60 credits for the B.A. Degree must be earned through Beacon College course work; and the final 30 credits must be earned in-residence at Beacon College.

International non-immigrant students refer to Step 2 under Admission Procedures: International Non-Immigrant students on page 8 and 9.

### **Award of Transfer Credits**

The College evaluates and accepts transfer credits on an individual basis. Transfer credits are only awarded in content areas offered within the current curriculum of the Institution and only if the transfer credit can be appropriately applied to degree program graduation requirements. Transfer credit measured in quarter hours upon acceptance will be awarded 3 credit hours as the equivalent of 4-quarter hours.

Once the official transcript is received, the Registrar will determine if the transfer credit may be applied toward the degree programs offered at Beacon College and if the transfer credit may be used toward program requirements, minor requirements, general education requirements, or elective credits. The appropriate Department Chair of the degree program may review transfer credits in question. Transfer of credit is at the sole discretion of Beacon College and the College reserves the right to deny the transfer of credit for specific courses. The Registrar will notify the student of transfer credit accepted in writing within five (5) business days of receipt of the official college transcript.

Course work transferred or accepted for credit toward an undergraduate degree must document achievement of student competencies equivalent to Beacon College's degree programs. Students are also required to present official transcripts issued to Beacon College from the transfer institution. Catalog course description(s) and/or a syllabus from the course(s) may also be required.

The College does award credit based on Educational Testing Service (ETS) advanced placement exams when the grade is equivalent to a C (a minimum ETS score of three) or above.

Students seeking to transfer credit based on military and service school or passing scores on the Dantes examination will have such credit considered on an individual basis following the guidelines above. Beacon College does **not** award credit based on training provided by non-collegiate institutions or experiential learning. Beacon College does **not** award credit based on professional certification. The College does **not** accept transfer credits for courses determined to be occupational or vocational in nature.

### **College Level Examination Policy (CLEP)**

Beacon College accepts the CLEP for substitution for general education courses offered by the Institution in accordance with the policy established. The College will accept a score of 50 on a scale of 20-80 to award credit for all CLEP General and Subject Area tests. CLEP scores must be received directly from Educational Testing Services (ETS). No more than three (3) CLEP course substitutions will be accepted into any degree program. A \$100.00 CLEP processing fee is charged per CLEP course substitution.

### **Beacon College Associate and Bachelor Degree Students**

Students initially admitted to a Beacon College Associate Degree Program who decide to continue study and enroll in a Bachelor Degree Program at Beacon College are designated internal transfer students. Internal transfer students must submit a *Change of Program Form* to the Vice President of Academic Affairs.

### **Official Transcripts**

Upon written request to the Registrar, a student may receive a copy of the academic transcript or have an official transcript mailed. A one-time transcript fee of \$15.00 is charged upon the initial request. Transcripts are issued as requested providing there is no financial indebtedness to the College. Copies of all other student records may also be mailed for a \$15.00 fee. **A transcript cannot be sent unless a written request and required fee is received.**

### **Transfers to Other Colleges or Universities**

Beacon College earned credits transfer to other institutions at the sole discretion of the receiving institution. The student should confirm whether credits earned at Beacon College will be accepted by any other college where the student may transfer.

## FINANCIAL INFORMATION

---

Tuition rates are established and announced each Spring Term. Increases are effective for the Fall Term. Students are permitted to attend class only if the first semester payment has been received or payment arrangements completed. A \$250 non-refundable deposit is due upon receipt of Intent to Enroll form and will be applied to the first term of attendance.

The standard academic course load per semester for full-time students is 12 to 15 credit hours with a maximum of 15 credit hours or five (5) courses.

Credit hours in excess of 15 will be billed according to the Institution's rate of \$710 per credit hour, excluding the one (1) credit lab for four (4) credit courses.

Part-time students carrying six (6) credits or less will be billed according to the rate of \$810 per credit hour, which includes fees for one (1) hour per week of academic mentoring.

Any additional fee may be imposed if the College receives an unexpected surcharge or fee (such as energy surcharge). The fees (if any) will be prorated and billed to currently enrolled students.

Payment for the Fall Term is due on or before July 1<sup>st</sup>. Payment for the spring Term is due on or before November 1<sup>st</sup>. Any sum not paid when due will be subject to a late charge of 1% per month (12% per year) or any fraction of a month.

**Summer 2012 Tuition**

Tuition for the Summer 2012 Term is *estimated* at \$2,500.00 per course. Increases may be incurred after January 2012. Summer Term fees are due March 1<sup>st</sup>.

**ALL CHECKS FOR TUITION AND ROOM/BOARD FEES SHOULD BE MADE PAYABLE TO:**

**BEACON COLLEGE  
105 EAST MAIN STREET  
LEESBURG, FLORIDA 34748**

**REFUND POLICY**

A student (parent/financially responsible party) may apply for a refund of tuition when a withdrawal from the college is based upon student (parent/financially responsible party) initiated reasons (personal/medical/other non-disciplinary). Written notice of withdrawal from the college must be received by the Business Office within the week noted in the Refund Schedule to obtain a refund. There will be no refund of room and board fees once the semester has begun. All applicable Federal requirements will be followed for refunds if the student is receiving Federal Financial Aid and/or Veterans' Benefits.

All refunds of tuition will be based upon the following schedule:

100%	-	First week (less 5% administration fee)
75%	-	Second week
50%	-	Third week
25%	-	Fourth week
0%	-	Fifth week

**There shall be no refund of any tuition or fees if the student is involved in a disciplinary action that results in a long term suspension or dismissal.**

**Summer Term Refunds**

There is no refund for room and board fees during the Summer Term. If the student withdraws within the first week of the Summer Term, 80% of tuition is refunded. There is no refund after the first week.

**Refunds for Federal Financial Aid Recipients**

If a student is a recipient of Title IV aid (Pell Grant, Stafford Loans, and Plus Loans), federal regulations administered through the U.S. Department of Education will apply.

If a recipient of Title IV aid withdraws during the term, the College will calculate the amount of aid the student did not earn, and the unearned portion will be returned to the Title IV programs. The student is responsible for any charges that are unpaid as a result of the return of Title IV funds.

Examples of the calculations of earned and unearned Title IV funds required as a result of withdrawal may be requested from the Business Office. Generally speaking, a student earns Title IV aid based on the number of days completed during the term prior to withdrawal. Once 60% of the term has been completed, the student is considered to have earned 100% of the Title IV aid awarded.

**Refunds for Recipients of Veterans Benefits**

The refund of the unused portion of tuition, fees, and other charges for veterans or eligible persons who fail to enter a course or withdraw or discontinue prior to completion will be made for all amounts paid which exceed the approximate pro rata portion of the total charges that the length of the completed portion of the course bears to the total length of the course. The proration will be determined on the ratio of the number of days or hours of instruction completed by the student to the total number of instructional days or hours in the course.

**Refund Appeal Process**

Any student may appeal a refund decision by filing a written request with the Business Office. Appeals must include basis for appeal (extenuating circumstances). Appeals will be reviewed by the Financial Aid Appeal Committee. The Committee's decisions in all matters will be final.

## FINANCIAL AID

The primary purpose of the financial aid program at Beacon College is to provide financial assistance to qualified students. Parents and students are expected to make the maximum possible contribution to meet the student's educational expenses. The Free Application for Federal Student Aid (FAFSA) is used to determine eligibility. Students can complete the FAFSA online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Beacon College U.S. Department of Education identification number is **033733**.

To be given the greatest consideration, students should complete the Free Application for Federal Student Aid (FAFSA) prior to March 1<sup>st</sup>, the Beacon College priority date. FAFSA's completed after March 1<sup>st</sup>, will be considered on the basis of available funds.

### Eligibility Requirements

To receive aid from the major financial aid programs at Beacon College, students must meet the following requirements:

- You must be accepted and classified as degree seeking at Beacon College in an eligible program. Only courses toward your degree requirements count for financial aid purposes.
- You may not receive aid in excess of your cost of attendance.
- You must not be in default on any federal educational loan or owe repayment on a federal grant at this or any other institution.
- You must provide all information requested for the completion of your file.
- You must be a U.S. citizen or an eligible non-citizen, (e.g. resident alien). Eligible non-citizens include I-151, I- 551, and I-688 cardholders as well as some I-94 classifications.
- You must have a high school diploma or GED certificate.
- A male applicant must be registered with Selective Service, if applicable. Male citizens of the U.S. and male immigrant aliens 18 through 25 years old must be registered with the U.S. Selective Service System to be eligible for Federal financial aid.
- You must maintain Beacon College's Standards for Satisfactory Academic Progress.
- Demonstrate a financial need in accordance with the federal financial needs analysis formula.
- Enrollment must meet the minimum hours of enrollment and other program specific criteria.

### Applying for Financial Aid

Financial Aid files must be completed at least three (3) weeks prior to payment due date in order to utilize awards toward payment of tuition and books. If the student's file is incomplete prior to registration, tuition, room and board, and books must be paid by the student. Reimbursement will be made, to the extent of any over payment after the drop/add date and certification of loans. Students must reapply each year for financial aid. Awards are not renewed automatically. In order to receive aid from the major financial aid programs at Beacon College, students must complete the following:

1. Complete the Free Application for Federal Student Aid (FAFSA) at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) . In Step 6 of the application, the school code for Beacon College is **033733**. The FAFSA Application must be completed if students are interested in any federal grants, state grants, and student/parent loans at Beacon College.
2. Complete an application for admission to Beacon College. Academic records (high school and college transcripts, degree intentions) must be received and evaluated by the Office of Admissions before financial aid file can be processed.
3. The Financial Aid Office receives electronic Student Aid Report (SAR) from the FAFSA federal processor approximately three weeks after the application for federal financial aid is filed. In order to receive financial aid awards prior to the start of the semester, Beacon College must be listed as the school choice in Step 6 on the FAFSA Application. The FAFSA federal processor will send Beacon College a copy of the Student Aid Report (SAR) at the same time the student is sent either an electronic copy or a postal copy. If the student does not receive a SAR within 3 weeks of submission to the FAFSA federal processor, please call the processor at (800) 433-3243 from 8 a.m. through

midnight (Eastern Standard Time) or check on-line at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). TTY users may call (800) 730- 8913.

4. Complete the Beacon College Florida Resident Access Grant Application (FRAG) Form and return it to the Financial Aid Office. This form is required in order to receive Florida Student Assistance Grant (FSAG), and the Florida Resident Access Grant (FRAG). The Beacon College Florida Resident Access Grant Application (FRAG) form can be downloaded from the Beacon College website.
5. The Financial Aid Office will access financial aid transcript information via the National Student Loan Data System (NSLDS). The student will be notified if additional information is needed.
6. If the student is selected for verification, the Financial Aid Office will advise the student of all required documents. After all documentation is received, verification may take up to three (3) weeks to be processed.

## **GENERAL INFORMATION**

- A Master Promissory Note (MPN) and Entrance Counseling must be completed if the student elects to receive loans. Students must complete the MPN and Entrance Counseling process at [www.studentloans.gov](http://www.studentloans.gov). Loans cannot be processed until the MPN and Entrance Counseling is completed and all documents have been received by the Financial Aid Office.
- The student will receive an award letter once the Financial Aid Office processes the file. This award letter will specify the types of aid for which the student is eligible at that time.
- Students must notify the Financial Aid Office if they expecting to receive the Florida Bright Futures Scholarship.
- The student is responsible for follow up on financial aid information. Do not wait until school begins.

### **Assistance**

If assistance is needed with the application process, please contact the Financial Aid Office. Complete as much of the application as possible so that questions can be identified before contacting the Office. If an appointment is necessary, students should bring tax returns, including W-2s (and parents' tax return if the application requires this information), as well as documentation of untaxed income (e.g., Social Security benefits, AFDC, child support, etc.).

### **Satisfactory Academic Progress for Financial Aid Recipients**

All students receiving any form of Title IV Financial Aid must meet the standards of progress outlined below. The requirements for these standards are set by federal regulations (34CFR Section 668.19). Beacon College is required to enforce these standards for students receiving Title IV Federal aid.

The following requirements are the standards of satisfactory academic progress for Financial Aid students at Beacon College:

- Standards of academic progress are reviewed at the end of each term for all students except students who have previously appealed and/or are transfer students.
- All transfer students will be reviewed at the time they are admitted to Beacon College prior to making any financial aid awards.
- All students who have been approved through the appeal process will continue to be reviewed each semester.

- A student is required to successfully complete the minimum number of hours to progress toward a degree as follows:
 

Enrollment Status Maximum Load Percentage to Complete Each Semester	
Full-time: 12 credit hours or more	67%
Three-quarters-time: 9 to 11 credit hours	67%
One-half-time: 6 to 8 credit hours	67%
Less than one-half-time: less than 6 credit hours	67%
- Successful completion means earning grades of A, B, C, D or P. Grades of I, F, W, WF, WP, NP are not successful completions.
- If students are required to enroll in pre-requisite College Readiness Courses in reading, writing, and/or math, they must earn a pass (P) in each course prior to enrolling in subsequent content area courses.
- A new student must have a minimum grade point average of 1.7 in the first 15 credit hours and a grade point average of 2.0, thereafter in all course work attempted at Beacon College.
- Credit hours for institutional credit College Readiness/Developmental courses will be counted toward financial aid eligibility. Grades received in these courses will not be used in calculating a grade point average. However, hours attempted will be used to determine the completion ratio.
- All terms of enrollment with or without financial aid at Beacon College will be used in determining a student's satisfactory progress for financial aid. All transfer work accepted by Beacon College will be included in the standards of academic progress calculations.
- Students who are suspended or dismissed from the College will lose financial aid benefits. The Financial Aid Appeal Committee can approve or disapprove appeals on a case-by-case basis. A student may appeal financial aid suspension in writing to the Financial Aid Appeal Committee if the student feels there are extenuating circumstances (unplanned events beyond the student's control). Students must provide documentation supporting their extenuating circumstances along with rationale on why a waiver should be granted. The Financial Aid Appeal Committee's decision in all matters will be final.
- If the Financial Aid Appeal Committee approves an appeal, the student's aid will be reinstated with provisions. The Committee may stipulate restrictions governing the number of remaining credit hours for financial aid assistance. Students who choose not to file an appeal or whose appeal has been denied may in some cases reestablish eligibility for financial aid by achieving a cumulative grade point average of 2.0 or better and/or complete a minimum of 6 hours of course work at their own expense.

### **Student Code of Conduct for Beacon College Grant or Work-Study Recipients**

Students receiving Beacon College Grants or Work-Study funding must adhere to the *Student Code of Conduct* as outlined in the *Beacon College Student Handbook*. Students who have a drug or alcohol related incident or a major disciplinary infraction may lose their Beacon College financial aid. The family will be responsible for paying the pro-rated tuition balance.

### **Major Federal Financial Aid Programs**

The federal financial aid programs listed in this catalog are available to any U.S. citizen or permanent U.S. resident who is admitted to the college and has filed the FAFSA (Free Application for Federal Student Aid; available online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov)).

*Federal Direct Stafford Loan:* Amounts may vary each year. There are annual maximums dependent on need and the student's grade level (freshman, sophomore, junior, senior). Interest does not accrue on subsidized Stafford loans while the student is in school, during the six-month grace or authorized deferment periods. Students are responsible for all interest that accrues on the unsubsidized Stafford loan while in school, and during the six-month grace period or authorized deferment period. Interest may be deferred.

*Federal Direct Parent Loans for Undergraduate Students (PLUS):* The Federal Direct PLUS Loan can be borrowed by parents of dependent undergraduate students to help pay for their child's education. The Federal PLUS Loan is not based on financial need. The amount borrowed each year is limited to the cost of attendance less other forms of assistance.

*Pell Grant:* This need-based award amount varies and can be granted each year. The award amount is directly related to the student's expected family contribution as determined by the FAFSA form and the student's enrollment status (full time, ¾ time, half time or less than half time).

*Federal Supplemental Education Opportunity Grants:* Grants through this federal program are available to a limited number of students who demonstrate exceptional financial need. Priority is given to students with the greatest need.

### **Florida State Financial Aid Programs**

Florida residency and eligibility for Florida state aid programs are based on state law and administrative rules. Generally, students whose families have been living in Florida for 12 months before the start of the school year are considered residents. The following programs are only available to Florida residents who are citizens or permanent residents of the United States.

*Florida Resident Access Grant (FRAG):* All full-time undergraduate students who meet the Florida residency requirements are eligible to receive this financial assistance from the state. This amount varies from year to year, based on available state funds.

*Florida Student Assistance Grant (FSAG):* Full-time undergraduate students who meet the Florida residency requirements and have extraordinary financial need, are eligible to receive this financial assistance from the state, depending on available funding.

*Florida Prepaid College Plan (FPCP):* Beacon College is an eligible institution for the FPCP program. Accumulated funds may be applied toward expenses at Beacon College. Contact the FPCP office at [www.florida529plans.com/Prepaid/index.html](http://www.florida529plans.com/Prepaid/index.html) for further details on disbursement options.

*Florida Academic Scholars Award:* This award is valued at approximately \$4,000 per year. An additional \$1,500 award is provided to the top academic scholar in each school district and developmental research school.

*Florida Medallion Scholars and Florida Vocational Gold Seal Awards:* Each of these awards is valued at approximately \$2,500 per year.

### **Repayment of Title IV Federal Funds: What are Title IV Federal Funds?**

At Beacon College, Federal Title IV funds consist of the Federal Pell Grant, Subsidized Federal Direct Loan, and an Unsubsidized Federal Direct Loan.

Federal regulations require repayment of a portion of funds received by students, unless certain conditions are met. A student who withdraws or stops attending all courses prior to completion of at least 60% of an enrollment period, WILL BE REQUIRED TO REPAY the "unearned portion" of the funds received.

These regulations apply to all federal grant and loan funds received as a disbursement by a student. For example, a student receiving a Pell Grant disbursement check in the amount of \$800 could be required to repay the federal financial aid programs as much as \$400, unless the student attends school for more than 60% of the enrollment period. In addition, a portion of the award that could have been used to pay for tuition, fees, books and/or supplies may also be required as repayment to the school. The latter requirement is because schools are required to refund the federal financial aid programs the "unearned portion" of the tuition, etc.

The rule applies only to those students who withdraw from ALL CLASSES. The rule does not apply to students who successfully complete AT LEAST ONE COURSE in an enrollment period. If the student is unable to complete all courses, every effort should be made to successfully complete at least one course. In so doing, the student will preserve the funds received. The student should work closely with his/her academic advisor to plan a course load that can be successfully completed each term.

Students who receive funds from the federal financial aid programs must check with the Business Office and the Financial Aid Office prior to withdrawing from a class to see if they would have a financial obligation.

**In addition to the above, students who receive an “F” grade, where attendance cannot be documented, will be required to repay the excess federal financial assistance they receive.**

### **SCHOLARSHIPS**

Beacon College is eligible to participate and administer the following scholarships based on each program’s guidelines:

- Florida Bright Futures Scholarship Program,
- Florida Children of Deceased or Disabled Veterans,
- Florida Ethics in Business Scholarship, and
- Florida Jose Marti Scholarship Challenge Grant Fund.

Students are encouraged to search for additional scholarships via the Internet sites listed below:

<http://www.fastweb.com>

<http://www.finaid.org/otheraid/ld.phtml>

<http://www.collegeboard.org>

### **VETERANS EDUCATIONAL BENEFITS**

Beacon College is approved to provide training to Veterans under the following chapters:

- Chapter 30      Montgomery GI Bill,
- Chapter 31      Vocational Rehabilitation,
- Chapter 32      VEAP/Veterans Educational Assistance Program,
- Chapter 35      Survivors’ and Dependents’ Educational Assistance, and
- Chapter 1606    Reservist Benefits.

Students applying for benefits must submit a certificate of eligibility (VA Form 22-0557) or award letter (VA Form 20-8993) to Beacon College in order for the College to notify the Veteran Affairs regional office of your enrollment.

For more information and forms, students may contact the Department of Veterans’ Affairs Educational Benefits Office at (800) 827-1000 or visit their web site at <http://www.gibill.va.gov>.

### **OTHER PROGRAMS**

In addition to the above, Beacon College also cooperates with the following state and federal programs that provides financial assistance to students:

- Division of Vocational Rehabilitation,
- Florida Prepaid College Program.

# ACADEMIC INFORMATION

---

## REGISTRATION

Dates for registration are published in the Academic Calendar and posted each semester in the Education and Stoer Buildings. Registration materials and specific procedures are provided by the Office of Academic Affairs.

## ACADEMIC ADVISEMENT

Each degree-seeking student will be assisted by a Department Chair or assigned academic advisor in understanding and interpreting the College's academic requirements for graduation and securing help with academic concerns or assistance with life/career goals.

## DROP/ADD PERIOD

During the first week of each semester, a student may drop or add a course without penalty. Any course dropped during this period will not be recorded on the student's permanent record. Students may not add courses after the final Drop/Add date designated by the Academic Calendar.

To drop or add courses, a *Drop/Add Form* must be obtained by the student, signed by the instructor and academic advisor, and returned to the Registrar for approval. Students must be advised that dropping a course may affect anticipated graduation date.

## COURSE WITHDRAWAL POLICY

Withdrawal from courses applies after the one-week Drop/Add period ends. A student who withdraws from a course or is withdrawn by the instructor after the Drop/Add period and *before* the last day of the eighth week of class will receive a (W) on his/her transcript. If a student withdraws or is withdrawn by an instructor *after* the eighth week of class, a notation of WP or WF (Withdrawn Passing or Withdrawn Failing) will be recorded on the transcript. A notation of W, WP, or WF will earn no course credit and the course will not be used in calculating the cumulative grade point average. **Students should be aware that withdrawing from a course may change student status and affect financial aid eligibility.**

## COURSE WITHDRAWAL FORM

Students who withdraw from a course must complete a *Student Course Withdrawal Form* signed by the instructor and academic advisor and submitted to the Registrar for final approval.

## REQUIRED EXAMINATIONS

Absences from examinations are excused only in cases of severe illness or occasions of equal exigency.

## STUDENT ATTENDANCE POLICY

Students are expected to be present and on time for all class meetings. Making up work because of an absence is the responsibility of the student. The student is responsible for knowing and understanding the policies for making up work outlined in the syllabus for each course.

**Tardiness will impact the student's participation grade**

### **Classes that Meet Two Times Per Week:**

Interventions will be initiated after the third absence in an attempt to improve student attendance.

Upon the fourth absence, the student's final grade will be dropped one letter grade. Upon the fifth absence, the student will be withdrawn from class.

### **Classes that Meet Three Times Per Week:**

Interventions will be initiated after the fifth absence in an attempt to improve student attendance.

Upon the sixth absence, the student's final grade will be dropped one letter grade. Upon the seventh absence, the student will be withdrawn from class.

### **Classes that Meet One Time Per Week:**

Interventions will be initiated after the first absence in an attempt to improve student attendance.

Upon the second absence, the student's final grade will be dropped one letter grade. Upon the third absence, the student will be withdrawn from class.

### **Late Arrival Policy**

Four (4) late arrivals are recorded as one absence and will affect the grade accordingly. A student who arrives late to class and also arrives late from break may be considered to be tardy twice in one class period.

### **Veteran Attendance Policy**

Excused absences will be granted for extenuating circumstances only. Excused absences are documented with formal entries in students' files. Early departures, tardiness, class absences, and other form of full or partial absence from class will be deemed a full class absence. Students exceeding three (3) days unexcused absences in a calendar month ***WILL BE TERMINATED FROM VETERANS BENEFITS*** for unsatisfactory attendance.

## **CLASSROOM RESPONSIBILITY**

Students are responsible for maintaining classroom decorum appropriate to the College educational environment. When the conduct of a student or group of students varies from acceptable standards and interferes with instruction, the instructor has the authority to remove the disruptive party from the room.

**Cell phone use is NOT permitted in classes. All cell phones must be set to the "OFF" position.**

## **CREDIT HOURS DEFINED**

Beacon College awards semester credit hours on the basis of the Florida Administrative Code, which equates one (1) college credit as equal to fifteen (15) fifty-minute periods of classroom instruction.

## **COURSE LOAD**

The standard academic course load per semester for full-time students is 12 to 15 credit hours with a maximum of 15 credit hours or five (5) courses. Written approval from the academic advisor is required to register for a course load that exceeds 15 credit hours or 16 credit hours for courses with a required lab, and only students with a cumulative grade point average of at least 3.3 (B+) are eligible.

Students must complete and sign an *Overload Form* that petitions for an exception to the course load policy and that also serves as formal disclosure and acknowledgement of increased tuition costs. A copy of the *Overload Form* is sent to the party responsible for the student's financial obligations. Credit hours in excess of the maximum standard full-time academic course load of fifteen credit hours will be billed according to the Institution's tuition rate of \$710 per credit hour.

Credit hours for part-time students enrolled in 6 credit hours or less will be billed \$810 per credit hour, which includes fees for one hour per week of academic mentoring.

If a student chooses a reduced course load or is required to enroll in institutional credit courses prior to enrolling in degree-credit-bearing courses, additional semesters may be required to earn the A.A. or B.A. Degree. However, the degree program may not exceed three years for an A.A. or six years for a B.A. from date of matriculation unless approved by the Vice President of Academic Affairs.

### COURSE AUDITS

Students may register to audit a course provided there is sufficient room in the course on a space-available basis. The student who audits the course is expected to register for the course on a non-credit basis and will be charged a \$400.00 audit fee per course. The student who audits a course(s) is expected to attend class regularly. However, the student is not required to complete any course assignments such as papers or examinations. The student who audits a course does not receive earned credit for the course or a grade in the course. The instructor may provide informal feedback to the student. The student who audits a course may not change the registration from audit to credit during the semester, except during the formal Drop/Add period. A course audit is typically intended to prepare for another course or as an enrichment course of special interest to the student. Students must obtain written permission to audit a course from the Vice President of Academic Affairs.

### GRADING SYSTEM

Students are expected to pursue degree requirements in accordance with the following academic grading policies of the College.

#### Pass (P)/Not Pass (NP) Rubrics for College Readiness Courses

Students required to enroll in any College Readiness course must earn a pass (P) on the subject subtest in order to be considered making adequate academic progress. Students are enrolled in College Readiness courses based on review of admissions documentation and the College Placement Test.

#### Definition

Grades are issued at the end of each semester. The following system is used:

93-100 A	83-86 B	73-76 C	63-66 D
90-92 A-	80-82 B-	70-72 C-	60-62 D-
87-89 B+	77-79 C+	67-69 D+	59 or lower F

#### Failing Grade Policy

If a required course is failed, the course must be repeated or an approved equivalent course taken and passed. No credit is accrued with a grade of (F). When a student repeats a course or takes its approved equivalent, both grades will be recorded on the student's transcript, but only the second grade will be included in computing the cumulative grade point average. **This forgiveness policy can only be used twice during a student's enrollment at Beacon College.**

### **Incomplete Grade Policy**

A grade of Incomplete (I) is recorded when a student is unable to complete course work within the semester for an acceptable and documented reason. Responsibility for completion of the work satisfactory to the instructor rests solely with the student. The deadline for completing the course work is the last day of the next semester or at an earlier date agreed upon by the student and instructor. An Incomplete grade not changed to a passing grade by the agreed-upon date for course completion or at the latest by the last day of the next academic semester is changed to a failing (F) grade automatically and is recorded on the student's official transcript.

### **Reporting Grades**

Student grades are posted on SONISWEB at the end of each term and may be accessed by students through their personal identification numbers (PIN). Other academic notices, such as midterm grades are also available on SONISWEB.

### **Grade Changes**

Grade changes are initiated by a course's Instructor of Record and are approved by the Vice President of Academic Affairs. A *Change of Grade Form* with the new grade must be submitted within one semester from the close of a grading period. Thereafter, no grade changes may occur.

### **Academic Complaint and Grade Appeal**

All academic complaints and final grade appeals must be filed in writing and directed to the Vice President of Academic Affairs following the procedures outlined in the Student Handbook. To appeal a final grade, the student must take the following steps:

- The student requests that the instructor recalculates the final grade. The instructor completes a grade worksheet within two working days, signs it, dates it, and gives one copy to the student. If, in fact, there is a grading error, a copy of the grade worksheet and a *Change of Grade Form* is forwarded to the Office of Academic Affairs for an official grade change.
- If a question remains, the student may appeal to the Vice President of Academic Affairs for a recalculation of the final course grade. Upon receipt of the request, the Vice President of Academic Affairs will contact the faculty member and review the grade worksheet of the student in question. The instructor will submit the worksheet within two working days of the request and appropriate action will be taken by the Vice President of Academic Affairs. The student is notified of the final decision in writing.

### **Grade Point Average**

The student accumulates credit points toward a grade point average (GPA) on a 4.0 scale as follows:

<u>Grade</u>	<u>Grade Points Per Unit</u>	<u>Grade</u>	<u>Grade Points Per Unit</u>
A	4.0	C	2.0
A-	3.7	C-	1.7
B+	3.3	D+	1.3
B	3.0	D	1.0
B-	2.7	D-	0.7
C+	2.3	F	0.0

In computing grade point averages, the 0.0 earned by a grade of F is included. However, grades of Incomplete, Withdraw Fail, Withdraw Pass, Not Pass, and Institutional Credits are not calculated in the grade point average.

## ACADEMIC STANDING

### Academic Class Defined

Students will be classified by level on the basis of credit hours satisfactorily earned, as follows:

<b>Freshman:</b>	00-29 credit hours
<b>Sophomore:</b>	30-59 credit hours
<b>Junior:</b>	60-89 credit hours
<b>Senior:</b>	90 or more credit hours

## ACADEMIC PROGRESS AND HONORS

### Restricted Programs of Study

Any freshman with less than a 1.7 grade point average for the first semester and all other students with a cumulative average lower than 2.0, may be required to take a limited program of study the subsequent semester.

A student is considered to have made no academic progress if he/she accumulates an excessive number of Incomplete (I) and/or Failing (F) grades. The student may be restricted from registering for further course work.

### Academic Probation

A student who does not make satisfactory progress by maintaining a semester GPA of 2.0 is subject to Academic Probation in the next semester. In addition, any student who withdraws from more than one class, yet earned a 2.0 or higher, may also be placed on Academic Probation. A student who is placed on Academic Probation in the second consecutive semester will be dismissed from the College. A student on Academic Probation may be limited to a reduced course load and/or may be required to take College Readiness/Developmental courses. Other remedial interventions may also be implemented at the recommendation of the student's advisor or the Vice President of Academic Affairs.

A student placed on Academic Probation will receive a letter from the Office of Academic Affairs advising of probationary status with a copy to the student's academic advisor. The letter will only be sent to the student's parents with the consent of the student in accordance with FERPA requirements.

Academic Probation may affect a student's academic standing, eligibility for financial aid, and the student's ability to complete the degree in the time required. Academic Probation shall be imposed in full accordance and compliance with all the policies, rules, and regulations of the Institution.

### Dismissal or Suspension

The College reserves the right to suspend or dismiss, at any time, any student who, in the opinion of College authorities, has violated college policies as stated in the Student Handbook. If a student is dismissed, financial obligations to the College are governed by regulations as stated in the *Beacon College Catalog* and in the *Beacon College Student Handbook*.

Academic dismissal or suspension shall be in accordance with all the policies, rules, and regulations of the Institution as stated in the *Beacon College Catalog* and *Beacon College Student Handbook*.

### Withdrawal

A student who withdraws from the College must complete a *Withdrawal Form* with the Office of Academic Affairs or the student will not be considered officially withdrawn and may be subject to penalties. Official transcripts, and other student records, will not be released until the student is officially withdrawn from the College.

**Readmission**

Students who withdraw, fail to register, or are dismissed from the College for any reason must apply for readmission to the College through the Office of Admissions. The Admissions Committee reviews each request for readmission to determine the need for additional, up-to-date information: new psychoeducational evaluation and transcript(s). An admissions visit may be required.

An academically disqualified student is not eligible for readmission for at least one semester or two semesters, to be determined by the College, following the disqualification. If readmitted, the student will be provisionally admitted and will be expected to satisfy the requirements of provisional admission as stated in the *Beacon College Catalog* to be eligible to continue to study at Beacon College in the next semester. The policy of Beacon College assures nondiscriminatory procedures for readmission.

**Termination of Veterans Benefits Due to Unsatisfactory Progress**

The Veterans Administration will be notified to terminate benefits due to unsatisfactory progress or attendance of any student receiving veteran's benefits who remains on academic probation beyond two consecutive semesters. The student may be recertified for veteran benefits upon attaining satisfactory progress (2.0) and being removed from probation.

**Academic Honors**

A student who earns high grades is considered to make exemplary academic progress. A student whose semester grade point average is 3.3 or higher while enrolled in at least 12 credit hours is recognized on the *Honors List*. A student whose semester grade point average is (4.0) is nominated to the *President's List*. Students who achieve exceptional standing throughout their college work are graduated with honors.

To graduate with honors, a student must complete 60 credit hours for an Associate Degree or 120 credit hours for a Bachelor Degree and must have achieved the following cumulative grade point average:

Cum Laude	3.4 to 3.59
Magna Cum Laude	3.6 to 3.79
Summa Cum Laude	3.8 to 4.0

**Psi Tau Omega**

Psi Tau Omega is the Beacon College Academic Honor Society. Election to this very special and prestigious organization requires three sequential steps. First, the student must earn a minimum 3.55 cumulative GPA after four semesters at Beacon College. Second, the student must be nominated by a faculty member. Third, the nominee must be elected to the Honor Society by a majority vote of the faculty. To qualify for nomination, the student must also demonstrate a high level of integrity and academic honor.

Membership in Psi Tau Omega will be withdrawn if the student's grade point average falls below 3.0 in any semester.

**CONFIDENTIALITY/ACCESS TO STUDENT RECORDS**

The College issues reports of progress, including grades, written evaluations, and letters of warning, and other academic records directly to the student. A student has access to all information pertaining to educational records and academic status. Parents or legal guardians may have access to information pertaining to education and academic status only as stated under the Family Educational Rights and Privacy Act (FERPA). <http://www.ed.gov/policy/gen/guid/fpco/ferpa/index.html>

# **STUDENT SERVICES**

---

## **OFFICE OF STUDENT SERVICES**

Student Services provides non-academic student support services and activities that contribute to the cultural, social, intellectual, moral, and physical development of students. The Office of Student Services provides a wide variety of activities throughout the year to promote student development, campus community involvement, and to increase faculty, staff, and student interaction.

It is the goal of the Office of Student Services to produce well-rounded individuals, and the staff is committed to providing out-of-classroom experiences to enhance the environment in which students learn and to promote growth and development in all areas of the student's life.

## **CO-CURRICULAR ACTIVITIES**

Out-of-classroom experiences are invaluable in the personal development of the well-rounded Beacon College student. Such activities include involvement in global/cultural awareness activities, social activities, health and wellness programs, leadership education, and community service. The College hosts a variety of on and off campus co-curricular activities that regularly include outdoor/nature activities, sporting events, cultural/ethnic festivals, musical and arts entertainment and appreciation, relationship and leadership building, health education, and fitness programs.

Students have opportunity for involvement through the Beacon Activities Council (BAC) and work closely with the Coordinator of Student Activities and Residential Life to plan, schedule and implement events and outings.

## **CLUBS AND ORGANIZATIONS**

To enhance their college experience, students may choose to join any number of a variety of campus clubs and organizations such as Student Government, Greek organizations Lambda Epsilon Omega fraternity, Pi Phi Psi sorority, and Mu Mu Mu (Tri Mu) sorority; the Performance Club; Gamma Beta Phi, a national service organization; the Art Club; and Future Business Leaders of America-Phi Beta Lambda. As interest changes, students have opportunities through the Office of Student Services to develop new campus clubs and organizations.

## **CAMPUS ACTIVITIES**

Group outings are scheduled during each month. Weekend activities include trips to plays, movies, festivals, camping, local attractions, and the beaches. The Beacon Activities Council (BAC) and the Coordinator of Student Activities and Residential Life plan the schedule.

Students may choose to join a variety of campus organizations and clubs throughout the school year, including the college yearbook, student government, cultural activities, sporting events, and a variety of other activities based on student interest.

## **HEALTH AND WELLNESS**

The College offers professional counseling and related services in a safe and secure environment where students are free to confidentially discuss any issues of concern at no cost to them. Health related seminars and workshops are also made available to all students.

## **FOOD SERVICES**

Student dining is in the *Chopping Block*, located at 117 West Main Street. Meals are served in a restaurant atmosphere which is open for breakfast, lunch, and dinner Monday-Friday. Breakfast and brunch are served on Saturday and Sunday. Meal times are published on the weekly menu. The College may also sponsor special event meals or cook-outs at the Beacon College Village Apartments. The cost of meals is included in the board fees. All students living in Beacon College provided housing are required to be on the college's Food Service Meal Plan. Commuter students not on a meal plan may purchase individual meals. Students should see the Food Services Manager to do so. The College reserves the right to modify the delivery of food services based on student needs. Students with special dietary restrictions due to health related issues should make an appointment with the Food Services Manager to discuss their dietary concerns. At times, special events off campus include meal service and in these cases no food service is provided on campus.

## **RESIDENCE LIFE**

The Beacon College Village Apartments serve as the College's residence halls. The apartments are within walking distance of the Main Street campus. Based on enrollment, the College may also lease local apartments for additional student housing. At Beacon College, residential life plays an integral part in the student's development and education, not only as a supportive environment but also as a means of building life experiences. This unique and rewarding housing system enables students to live in apartments and develop independent living skills while attending college. Staff Resident Assistants, assisted by student Resident Assistants, provide support and supervision in student housing, enforce rules and regulations, and foster an environment of belonging and success for all students.

## **TRANSPORTATION**

The College operates a van transportation system to provide students access to field placement externships and college-sponsored activities. Based on availability, students may schedule individual transportation to medical appointments through the designated Resident Assistant; a minimal fee may apply. While every effort is made to accommodate students' schedules and needs, transportation is provided as available and cannot be guaranteed in every instance. Abuse of this service may result in loss of an individual's transportation.

## **STUDENT HANDBOOK**

All students are requested to conduct themselves with integrity and in accordance with the Student Code of Conduct, College Catalog and Student Handbook. The student is expected to be familiar with all of the policies, rules, and regulations published in the *Beacon College Student Handbook*. Students acknowledge receipt of the Student Handbook and agree to abide by all College rules and regulations through their admission to the college. Students and any student organization, as a condition of admission and participation within the College community, agree to abide by all college policies, rules, regulations, and other directives contained in any of the aforementioned documents or other college publications or notices placed on official College websites, bulletin boards, or any other manner of information dissemination to the College community.

## **STUDENT VEHICLES**

Having a car on campus is a privilege. Students must submit a copy of their driver's license, registration, and proof of insurance to the Office of Student Services. All cars parked on campus must display a Beacon College Parking Sticker (fee applies). Failure to maintain a current Parking Sticker may result in fines and loss of campus driving privileges.

## **REGIONAL ACTIVITIES**

Outdoor activities, such as boating, tennis, jogging, biking, fishing and swimming are available year-round in the central Florida regional area. Movies, restaurants, dinner theatres, and museums, are within a 30-minute driving time. Additionally, the College is near superb beaches and amusement sites, including the following:

Silver Springs	35 miles
Walt Disney World	44 miles
Sea World	42 miles
Universal Studios	44 miles
Kennedy Space Center	60 miles
Daytona Beach	69 miles
Weeki Wachee Springs	68 miles
Busch Gardens	80 miles
Cypress Gardens	90 miles

## **STUDENT COMPLAINTS**

Any student who seeks to file a formal complaint should do so in writing to the Office of Student Services. Specific procedures for filing the complaint are outlined in the Student Handbook. If the complaint pertains to an academic concern, the student should follow the procedures as outlined in the Student Handbook under Academic Complaint and/or Grade Appeal.

# ACADEMIC PROGRAMS

---

## COLLEGE PROGRAM

The Beacon College faculty is committed to helping students achieve individual success. Faculty members facilitate instruction by designing appropriate learning accommodations that reflect an understanding of different learning styles. Team Meetings allow faculty to discuss teaching methods and effective intervention techniques while assessing student progress. An emphasis on self-awareness and critical thinking focused on strategies for lifelong learning are facilitated by faculty and students working together. A low student-faculty ratio provides the opportunity for individual attention while fostering the competencies necessary for success.

## GENERAL EDUCATION

The General Education Department provides a foundation of basic competencies for all degree programs. General Education courses contribute to the total development and educational growth of the student. These courses are required by the Florida Department of Education and the regional accrediting body.

## ACADEMIC MAJORS

Students declare a major in one of three programs: **Computer Information Systems, Human Services, and Liberal Studies**. When declaring a major in Computer Information Systems (CIS), students are required to complete 21 credits in a CIS sequence for the A.A. Degree or 36 credits for a B.A. Degree. When declaring a major in Human Services, students are required to complete 18 credits in a Human Services sequence for the A.A. Degree or 39 credits in the sequence for a B.A. Degree. When declaring a major in Liberal Studies, students are required to complete 18 credits in a Liberal Studies sequence for the A.A. Degree or 39 credits in a sequence for a B.A. Degree.

After declaring a major, students may also choose to declare a minor which requires at least 18 credits in the minor field of study.

## COMPUTER INFORMATION SYSTEMS

**The Computer Information Systems** major offers students the opportunity to learn about the latest technology used in today's marketplace, as well as explore the vast number of career choices available to those skilled in this area. Students in the Computer Information Systems major have the opportunity to integrate their creative, technical, and business skills through the curriculum. Students are able to choose one of two tracks to meet their specific career goals: the *Information Systems Track* or the *Web and Digital Media Track*.

**The Associate of Arts Degree in Computer Information Systems *Information Systems Track*** provides students with a basic background of incorporating technology into the corporate world. Students are exposed how to process data into useful information through various hardware and software used in the industry. **The Bachelor of Arts Degree in Computer Information Systems *Information Systems Track*** provides students a thorough background of how to implement information systems and retrieve valuable information needed by managers to make effective decisions and building knowledge in today's world market.

**The Associates of Arts degree in the *Web and Digital Media Track*** offers students a foundation in digital imaging, web page design, web animation, and digital video to express the thoughts and ideas of an organization. **The Bachelor of Arts Degree in the *Web and Digital Media Track*** prepares students with comprehensive courses in digital design, web site development, web animation, and digital video. Projects focus on real world design solutions with a marketing approach.

## HUMAN SERVICES

**The Human Services** major provides comprehensive knowledge of the theoretical foundations of the social sciences and offers practical experience in the professional fields associated with public and community services. This major field of study focuses on psychological approaches to understanding the holistic development of individuals, families, and communities. Through field placements, students gain work experience designed to facilitate employment in the human services field. A career in human services involves working with people in assisting them to adapt, change, and cope with physical and social conditions in their environment.

**The Associate of Arts Degree in Human Services** provides students with an introductory understanding of the factors that affect human growth and development and the range of delivery of services in the field. **The Bachelor of Arts Degree in Human Services** provides a comprehensive understanding of human behavior and the associated skills to enhance employment opportunities in the field of Human Services.

## LIBERAL STUDIES

**The Liberal Studies** major provides an interdisciplinary approach to a wide range of academic disciplines. Students experience the natural and social sciences, humanities, the arts, and multicultural diversity. Graduates emerge with a global perspective and a broad foundation of knowledge, enhancing their critical thinking and analytical skills that are increasingly important in the work world. A wide range of career opportunities are available to graduates, as well as continued education in graduate programs.

**The Associate of Arts Degree in Liberal Studies** provides students with an educational foundation before entering the work force or pursuing further study or professional training. **The Bachelor of Arts Degree in Liberal Studies** provides students with a comprehensive liberal arts education to enhance employment opportunities and personal development, and to encourage a lifelong commitment to learning.

## COLLEGE READINESS COURSES/DEVELOPMENTAL EDUCATION

College Readiness courses are designed to provide instruction necessary for academic success at the college level in the fundamentals of reading, writing, and mathematics. Enrollment in College Readiness courses becomes a requirement for students based on the documentation provided for admissions and College Placement Tests. All first-time, full-time students are required to enroll in the Learning Essentials & Self Discovery course.

### College Placement Tests (CPT)

The College administers a College Placement Test (CPT) to all entering students to determine readiness for college credit-bearing courses in reading, writing, and mathematics.

The College awards institutional credit for college readiness coursework; however, these credits do not apply to the College's graduation requirements of 61 hours for the Associate of Arts Degree or 120 hours for the Bachelor of Arts Degree. Upon successful completion of the College Readiness courses required by the CPT and/or admissions records, students may progress to credit-bearing course work in composition, literature, and mathematics. Students who earn a pass (P) in the subject area subtest of the CPT are not required to enroll in that subject's College Readiness course.

- Students who earn a pass (P) on the math subtest of the CPT are exempt from the MAT 0031 Math Strategies course. Students who are not exempt must earn a pass (P) on the course exit exam based on the *College Math Rubric* prior to enrolling in credit-bearing math courses.
- Students who pass the math subtest of the CPT and who plan to register for MAT 1901: General Education Math or MAT 1907: College Algebra must take a placement test administered by the instructor to determine readiness for this course.
- Students who earn a pass (P) on the writing subtest of the CPT are exempt from the ENG 0020 Writing Strategies course. Those who are not exempt must earn a pass (P) on the exit exam based upon the *College Writing Rubric* prior to enrolling in credit-bearing composition courses. Students showing improvement, but still needing additional writing instruction may be required to take ENG 1000 Analytical Reading and Writing prior to taking credit bearing composition or literature courses. ENG 1000 is a 3 credit course which can be applied as an elective
- Students who earn a pass (P) on the reading subtest of the CPT are exempt from the REA 0030 Reading Strategies. Students who are not exempt must earn a pass (P) on the *College Reading Rubric* prior to enrolling in credit-bearing composition or literature courses. Students showing improvement, but still needing additional reading instruction may be required to take Analytical Reading and Writing prior to taking credit-bearing composition or literature courses.
- Students who earn a pass (P) on the reading and writing subtests of the CPT are exempt from the ENG 1000 Analytical Reading and Writing course. Students who show fundamental reading and writing skills on the CPT subtests, but still need additional intensive reading and writing instruction may be placed into ENG 1000 Analytical Reading and Writing prior to taking credit-bearing composition or literature courses.

## ACADEMIC SUPPORT SERVICES

---

### LIBRARY

The mission of the Beacon College Library is to provide library materials, services, and instruction in an environment that supports the mission and curriculum of the College.

Beacon College provides a full-service academic library. The library collection includes over 23,000 print, audio, and video materials, 112,000 electronic books, and a number of other electronic resources to meet the educational needs of students with learning disabilities. These resources are easily accessed through the Beacon College Library Homepage. The Library also has access to the Leesburg Public Library, the State University System Libraries, and a wide range of other libraries, either through direct borrowing privileges or through interlibrary loan.

New students are introduced to the Library through orientations, workshops, and course work. Training includes use of Beacon's online catalog, locating materials in our collection, and researching the electronic databases and the Internet. Individual assistance is available at any time during regular library hours.

## **WRITING CENTER**

The purpose of the Robert & Jane Weiner Writing Center is to produce better writers; developing their critical thinking strategies by focusing on the reading and writing processes. The Writing Center offers assistance and support for every phase of the writing process through one-on-one consultations and the utilization of assistive reading and writing technology that includes:

- Kurzweil 3000 – Software that aids students by reading textbooks and other documents read aloud.
- ClassMate Reader – Portable text reader that reads various text documents aloud.
- Inspiration – Software program that graphically organize a student’s ideas for writing assignments.
- Dragon Naturally Speaking – Aids students by having the student dictate their thoughts.
- IBM Via Voice – Dictation software option for students with writing difficulties.
- Scientific Notebook – Software that aids students in mathematical problem-solving.
- Editor and WordQ – Software programs that assist students with generating and editing text.

The above software may be used in conjunction with course materials. Students are provided notes and course syllabi from instructors electronically. Most courses also have an electronic format of the textbook(s) available. The College implements additional assistive technologies based on students’ needs and updates programs on a regular basis. The College also provides the required hardware and software to support the latest versions of assistive technology.

## **CENTER FOR STUDENT SUCCESS**

Individual success is the goal of the weekly one-on-one academic mentoring sessions. Students work with a Learning Specialist to improve study skills and effective time management strategies for college success through building a deeper understanding of the student’s learning style and academic challenges. Sessions are skills-based and dependent upon the learning challenges faced by each individual student with the goal of gaining self-directed academic independence for lifelong learning.

## **SUPPLEMENTAL INSTRUCTION**

Supplemental Instruction (SI) is student-centered supplemental instruction designed to improve academic performance and assist students before they encounter academic difficulty in credit-bearing content courses. Instead of targeting “at risk” students, SI targets traditionally difficult academic courses by providing regularly scheduled group study sessions for collaborative learning with the instructor and/or a learning specialist.

## **SPECIAL ACCOMMODATIONS**

The College facilitates the academic success of its students by providing appropriate accommodations to students identified as at-risk. Accommodations may include interactive computer-based reading or writing programs, voice activated dictation software, audio texts, and audiovisual aids. Test accommodations include adjustments in presentation, setting, timing/scheduling, and response. To receive a testing accommodation, students consult with a learning specialist during the first two weeks of a semester and identify appropriate accommodations and assistive technology.

# GRADUATION REQUIREMENTS

---

## ASSOCIATE AND BACHELOR DEGREES

The Associate and Bachelor Degrees in Computer Information Systems, Human Services, and Liberal Studies are conferred upon completion of the academic degree programs prescribed and recommendation of the candidates by the faculty. The Associate Degree requires **61** credit hours with a cumulative grade point average (GPA) of 2.0. The Bachelor Degree requires **120** credit hours with a cumulative GPA of 2.0.

The minimum graduation requirements for the Associate Degree and the Bachelor Degree in Computer Information Systems, Human Services, and Liberal Studies are:

1. Completion with a pass (P) of all College Readiness courses required by the CPT or a pass (P) in each of the reading, writing, and math subtests of the CPT;
2. Completion of The College Experience: Learning Essentials and Self-Discovery: three (3) credits;
3. Completion of thirty-seven (37) credit hours in general education;
4. Completion of academic degree requirements in respective major program, (Computer Information Systems, Human Services, or Liberal Studies);
5. Completion of academic degree requirements in respective minor program, if applicable;
6. Completion of a minimum of six (6) credit hours in Cooperative Education/Field Placement in Bachelor Degree programs;
7. Completion of integrated review seminars and academic assessments for academic degree program;
8. Completion of required exit examinations in selected courses;
9. Completion of graduation petition.

## GENERAL EDUCATION

The minimum general education requirement of thirty seven (37) credits in Computer Information Systems, Human Services, and Liberal Studies Associate of Arts and Bachelor of Arts Degree Programs are as follows:

- I. English and Communication:** Nine (9) credit hours of College Composition (ENG 1101), Composition and Literature (ENG 1102), and Rhetoric (ENG 2272).
- II. Computer Information Systems:** Six (6) credit hours of computer information systems courses derived from Technology in Global Environments (CIS 1255) and Computer Applications (CIS 1256). (See note below.)
- III. Humanities and Fine Arts:** Six (6) credit hours derived from Introduction to Humanities (HUM 2700) and Art Appreciation (ART 2051).
- IV. Mathematics/Natural Science:** Seven (7) credit hours are derived by three (3) credit hours from College Algebra (MAT 1907) *or* General Education Mathematics (MAT 1901), and four (4) credit hours of Introduction to Life Science (BSC 1478).
- V. Social/Behavioral Sciences:** Six (6) credit hours of History of the United States Government (HIS 1576) and General Psychology (PSY 2851).
- VI. Critical Thinking:** Three (3) credit hours of Critical Thinking (PSY/EDU 2863).

**NOTE:** Students have the option of testing for a waiver of CIS 1255, which is a pre-requisite for CIS 1256 and other computer information system courses. If the student passes the test, CIS 1255 will be waived. The student will be responsible to take six (6) credits to satisfy the Computer Information Systems requirement by substituting a course for CIS 1255. See the Computer Information Systems Department Chair for information on the course options.

# COMPUTER INFORMATION SYSTEMS INFORMATION SYSTEMS TRACK

## Associates of Arts Degree

The Computer Information Systems Associate of Arts degree in the Information Systems Track, requires the completion of a minimum of 61 credit hours, including the general education requirement of 37 credit hours. The Associate of Arts Degree in Computer Information Systems *Information Systems Track* provides students with a background of incorporating technology into the corporate world.

The following is the prescribed academic degree program for the Computer Information Systems A.A. Degree in the Information Systems Track:

## CONCENTRATIONS

A concentration is defined as four courses (twelve credit hours) in the same subject area. Students may create concentrations to reflect career goals or personal interests.

## MINORS

Beacon College offers students in the B.A. programs the opportunity to select eight (8) areas of minor concentration: Art, Business Management, Computer Information Systems, Web and Digital Media, Education, English/Literature, History, and Psychology. Students must successfully complete the following requirements to earn a minor. Courses are substituted at the sole discretion of the appropriate Department Chair.

### ART

The minor in Art is designed to inspire students to develop creatively and artistically with intellectual flexibility. The experience of participation through studio arts builds enrichment skills for both professional and personal development. A minor in art may be added to any major at the college. Students must successfully complete the following courses (18 credits):

ART 2300	Fundamentals of Drawing
ART 2701	Sculpture
ART 2754	Ceramics
ART 3100	Painting
ART	2000-4000 Level Elective
ART	2000-4000 Level Elective

### Business Management

The Business Management minor is designed to develop an understanding of the business industry and management profession including theories, principles, and historical and ethical issues. The Business Management minor allows the student to gain basic knowledge and skills necessary for seeking employment in organizations. The Business Management minor also promotes critical thinking, analytical problem solving, research, and writing. Students must successfully complete the following courses (18 credits):

BUS 2274	Personal Finance
BUS 2500	Principles of Marketing
BUS 2600	Principles of Management
BUS 3318	Business Communications
BUS	3000-4000 Level Elective
BUS	3000-4000 Level Elective

## **Computer Information Systems**

The Computer Information Systems minor is designed to provide a basic background of incorporating technology into the corporate world. The Computer Information Systems minor allows the student to gain a basic understanding of creating digital media and web pages. The Computer Information Systems minor also promotes critical thinking, analytical problem solving, research, and writing. Students must successfully complete the following courses (18 credits):

BUS 2600	Principles in Management
CIS 2000	Ethics in Technology
CIS 2258	Computer Programming Concepts
BUS	2000-4000 Level Elective
CIS	2000-4000 Level Information Systems Elective
CIS	2000-4000 Level Information Systems Elective

## **Computer Information Systems: Web and Digital Media**

The Web & Digital Media minor is designed to provide a foundation for web and digital media communication tools and applications for the professional world. Students gain production skills in digital imaging, graphic design, digital video, web page design, web animation, and advertising. The Web and Digital Media minor also promotes critical thinking, analytic problem solving, research, and writing. Students must successfully complete the following courses (18 credits):

CIS 2216	Digital Imaging with Photoshop
CIS 2257	Web Page Design
CIS 2264	Introduction to Computer Graphics
CIS	2000-4000 Level Web and Digital Media Elective
CIS	2000-4000 Level Web and Digital Media Elective
CIS	2000-4000 Level Web and Digital Media Elective

## **Education**

The Education minor provides students with an introduction to the classroom setting and the responsibilities of a teacher. This minor does not qualify students for their certificate nor does it allow them to test for certification. The Education minor is an opportunity to build a foundation that enables the student to pursue interest in the teaching field.

Students must successfully complete the following courses (18 credits):

EUD	2831	Multicultural Diversity
EDU	2864	Foundations of Education
PSY	2852	Human Development
EDU	3873	Educational Psychology
EDU	4753	Topics in Education
EDU	3000-4000	Level Elective

## English/Literature

The English/Literature minor is designed for students interested in literature and writing beyond the basic General Education requirements. The English/Literature minor promotes the development of critical thinking, analytical problem solving, research, and writing. Students must successfully complete the following courses (18 credits):

LIT 2855	World Literature
LIT 3350	British Literature I <b>or</b> LIT 3351 British Literature II
LIT 3353	American Literature Pre-1876
LIT 3354	American Literature Post-1876
ENG/LIT	3000-4000 Level Elective
ENG/LIT	3000-4000 Level Elective

## History

The History minor is designed to give students with an intellectual curiosity about history, a basic foundation of historical literacy and the implications for the future. Students in the History minor develop analytical, research, and writing skills that are required for success in most fields of employment. The History minor also promotes critical thinking, analytical problem solving, research, and writing. Students must successfully complete the following courses (18 credits):

**ANT 2707/3707/4707 Topics in Anthropology (E) 3 credits**

Topics vary and may include archaeology, Celtic studies, environmental ethics, and Southwestern prehistory. Topics courses cannot exceed nine (9) credits.

## ART

**ART 2051 Art Appreciation (F/S) 3 credits**

Explores painting, sculpture, and architecture as art. A study of art history provides an understanding of where art began and how it developed. *Lab fee.*

**ART/CIS 2250 Digital Photography** (F/S) 3 credits

Explore photography as a digital medium as visual expression. Image capture and technical camera controls are demonstrated. Composition, lighting, color and subject matter are examined and artistically manipulated. Adobe Photoshop instruction focuses on photography related tasks such as cropping, sizing, sharpening, color correction, and preparing photos for e-mail, Web pages and color printing. *Lab fee.*

**ART 2300 Fundamentals of Drawing** (E) 3 credits

Introduces drawing methods and techniques. Focuses on the enhancement of creative expression and communication. *Lab fee.*

**ART 2701 Sculpture** (E) 3 credits

Introduces the concept of plastic art and working creatively in three dimensions. *Lab fee.*

**ART 2754 Ceramics** (E) 3 credits

Introduces the basic concepts of hand building ceramics with emphasis on methods of construction, surface decoration, glazing and firing techniques. *Lab fee.*

**ART 2860 Stained Glass** (F/S) 3 credits

An introduction to the principles of stained glass design, fabrication, art, and history. Basic stained glass skills and techniques include: cartooning, patterning, glass cutting, foiling, leading and soldering. *Lab fee.*

**ART 3100 Painting** (F/S) 3 credits

An introduction to painting fundamentals, processes and materials. This course will also present materials concerning painting's history and contemporary issues.

**ART 3860 Stained Glass II** (S) 3 credits

Development and application of advanced stained glass making techniques including the planning and execution of original designs and patterns. *Lab fee.*

**ART 2052/3052/4052 Topics in Art** (E) 3 credits

Topics of current interest are presented in group instruction. Topics may include drawing, painting, sculpture, or theatre/film. This course may be repeated with different content. Lab time may be required in addition to classroom hours. Advanced topics may be taken as ART 4054. Topics courses cannot exceed nine (9) credits. *Lab fee.*

## BIOLOGICAL SCIENCES

**BSC 1010 General Biology** (F/S) 4 credits

This course illustrates the applications of the scientific method of problem-solving within the field of science. Course topics include properties of life, chemistry of life, structure and formation of cells, the origins of life on Earth, evolution, and ecology. Students taking this course will gain a better understanding of the natural world and how it functions. They will also learn to appreciate their position and role in our natural world. This course requires attendance in a (1) credit lab, which provides laboratory experience in the areas of properties of life, microbiology, and evolution. *Lab required with lab fee.*

**BSC 1478 Introduction to Life Science** (F/S) 4 credits

This course introduces science and explores the building blocks of life, the cell, DNA, genetics and the origin of the world. Also includes a section on ecology. *Lab required with lab fee.*

**BSC 2077 Human Biology** (F/S) 3 credits

This course provides an overview of the structures and functions of the systems of the human body demonstrating an integrated view of how the human body works. The course will incorporate an emphasis on practical information and the development of life skills. Students will also be provided with useful and relevant information about a number of different health issues.

**BSC 2110 Introduction to Marine Biology (F/S) 4 credits**

This course examines properties and characteristics of the marine environment, the natural history of marine organisms, their taxonomic relationships, and their interactions with each other are explored. The evolutionary processes of various marine organisms and the scheme of biological classification are introduced. This course requires attendance in a (1) credit lab, which includes an introductory lab and field survey of local marine waters as they relate to marine species and their environments worldwide. Emphasis is placed on the major marine phyla in the local area and the interrelationships between those phyla and their environments. Field trips to local marine areas will be organized. *Lab required with lab fee.*

**BSC 2109/3109/4109 Topics in Biological Science (E) 3 credits**

Topics may include health science, anatomy, or other areas of biological science. Topics courses cannot exceed nine (9) credits.

**BUSINESS**

**BUS 2274 Personal Finance (F) 3 credits**

Emphasizes the strategies necessary for informed consumer decisions and personal money management. Topics include income, budgeting, priorities, money management, investments, taxation, and banking.

**BUS 2500 Principles of Marketing (F) 3 credits**

Examination of the functions and institutions involved in the marketing of goods and services. Reviews the business environment and how to adapt to success, weakness, opportunities, and threats (SWOT Analysis). Marketing strategies and identification of the four Ps of marketing.

**BUS 2600 Principles of Management (S) 3 credits**

Includes case studies involving changing the way work is done, changing communications and influence patterns, and changing managerial strategy.

**BUS 4500 Business Law (F) 3 credits**

Designed to acquaint the student with the common practical laws as applied to ordinary business procedures. Review of basic legal concepts including contract law, business transactions, and related terminology.

**BUS 2211/3211/4211 Topics in Business** (E) 3 credits  
An advanced examination of selected topics in specific areas of study in business. Topics courses cannot exceed nine (9) credits.

### COLLEGE READINESS/DEVELOPMENTAL EDUCATION

**ENG 0010 Analytical Reading and Writing** (F/S) 3 credits  
Designed for students needing to improve comprehension of challenging text and scholarly writing. Focus on expanding college-level vocabulary and fluency through reading and writing across-the-curriculum. Students explore, in-depth, sample writing assignments from each of the major college disciplines. May be required as a prerequisite to ENG 1101 or LIT 2855. (Institutional Credit)

**ENG 0020 Writing Strategies** (F/S) 3 credits  
Provides direct instruction and practice to create college level text through study of sentence types and structures, grammar and syntax, and transitional words and phrases. Spelling, word choice, writer's voice, purpose of text, audience, research techniques, and editing skills are also included in this writing-process focused course. May be required as a prerequisite to ENG 1101. (Institutional Credit)

**REA 0030 Reading Strategies** (F/S) 3 credits  
Provides a student-focused reading curriculum designed on the individual needs based on Greek and Latin etymology, structural analysis, vocabulary connotation and denotation, speed reading techniques, and fluency and prosody practice. May be required as prerequisite to LIT 2855. (Institutional Credit)

**MAT 0031 Mathematic Strategies** (F) 3 credits  
Computational review and practice prepare students for the demands of college level math through a focus on whole numbers, fractions, decimals, percents, ratios, proportions, practical applications, and word problems. Student will learn to use a basic scientific calculator to facilitate learning and provide assistive technology. May be required as a prerequisite to MAT 1901. (Institutional Credit)

### COMPUTER INFORMATION SYSTEMS

**CIS 1255 Technology in Global Environments** (F/S) 3 credits  
This course presents an introduction to current technologies on a global scale. Students acquire computer skills and build a stronger foundation in word processing, presentation software, and web communications. Students gain experience with business applications in a PC environment and explore digital media programs in an Apple computer lab. Class work focuses on desktop productivity and creative projects. The goal of this course is to insure cross platform computer literacy for academic and work environments.

**CIS 1256 Computer Applications** (F/S) 3 credits  
An exploration of software applications in word processing, spreadsheets, database management, and presentation software. Software applications are integrated and applied to various professional fields. (Prerequisite: CIS 1255)

**CIS 2000 Ethics in Technology** (S) 3 credits  
A survey of special ethical problems and issues associated with technology. Current ethical issues as a result of our increasing use of computers will be explored.

**CIS 2216 Digital Imaging with Photoshop** (S) 3 credits  
Students use Adobe Photoshop to explore the artistic potential of imaging technology and solve visual problems. They learn how to plan and produce digital images that demonstrate an understanding of composition, light, color, and visual communication. Hands-on projects include digital painting, photo montage, image manipulation, scanning, photo retouching, 3D effects, text effects and layout techniques for digital art, ads, publications, and Web pages. *Lab fee of \$25.00.*

**CIS 2250 Digital Photography (F/S) 3 credits**

Explore photography as a digital medium of visual expression. Image capture and technical camera controls are demonstrated. Composition, lighting, color, and subject matter are examined and artistically manipulated. Adobe Photoshop instruction focuses on photography related tasks such as cropping, sizing, sharpening, color correction, and preparing photos for e-mail, Web pages and color printing. Students supply their own digital camera. *Lab fee of \$25.00.*

**CIS 2257 Web Page Design (F) 3 credits**

Exploration of the World Wide Web and web design trends. This course focuses on creating web pages with HTML and Dreamweaver. Pages are customized with the use of graphics, image maps, links, and multimedia. (Prerequisite: CIS 1255) *Lab Fee of \$25.00.*

**CIS 2258 Computer Programming Concepts (E) 3 credits**

An overview of computer language concepts and how it is used for problem-solving of computer errors. A variety of programming languages will be introduced. (Prerequisite: CIS 1256)

**CIS 2264 Introduction to Computer Graphics (E) 3 credits**

An introduction to the use of computer graphic software and hardware from an artistic and marketing point of view. The use of graphic software will be used for the design and layout of creative projects. (Prerequisite: CIS 1255 or CIS 1256) *Lab fee of \$25.00.*

**CIS 2265 Introduction to Assistive Technology (F) 3 credits**

An exploration of the types of technological devices used to aid students with disabilities. Methods of matching the proper technological device with the disability are demonstrated. Methods and systems used to effectively implement and maintain the assistive technology's effectiveness will also be explored. Areas such as funding assistive technology will be addressed.

**CIS 2267 Web Animation (S) 3 credits**

An introduction to concepts related to frame based animation on a timeline. Areas covered include audio, video, and graphics. Students create engaging animations for the Web. (Prerequisite: CIS 2216 or 2264) *Lab fee of \$25.00.*

**CIS 2268 Digital Video I (S) 3 credits**

Students combine audio, video, and graphics to develop digital video projects. They become proficient in cutting and editing video clips on a timeline. Emphasis is placed on developing quality video for the Web. (Prerequisite: CIS 2216 or 2264) *Lab fee of \$25.00.*

**CIS 2275 Networking and Communications (F) 3 credits**

Various types of networking concepts will be explored. A survey of different types of communications with technology will also be examined. The course will involve entry-level, hands-on networking projects. (Prerequisite: CIS 1256)

**CIS 2500 Introduction to Game Design (E) 3 credits**

An exploration of how an individual begins the process of designing a game from an idea to promoting it to a licensed game franchise. The course will follow through the game development life cycle and through the steps of marketing and promotion of a game. (Prerequisite: CIS 1255)

**CIS 2550 Game Design with C++ (E) 3 credits**

This course will explore how to build programs that result in entertaining games that result in video games used today. Students will design game programs using C++. Present and past games will be discussed based on the design and programming methods. (Prerequisite: CIS 2258)

**CIS 3250 Digital Illustration and Layout (S) 3 credits**

Using vector drawing and painting tools, student learn how to create original graphics, digital illustrations, and layouts. Projects include ads, publications, and Web page designs. (Prerequisite: CIS 2216 or 2264) *Lab fee of \$25.00.*

**CIS 3251 Database Management** (F) 3 credits

Database concepts, terminology, and implementation are reviewed. Presents development of schemas and entity relationships, and how to apply them to current Database Management Systems. Topics in ethics and security of databases will be explored. (Prerequisite: CIS 1256)

**CIS 3259 Systems Analysis and Design** (S) 3 credits

An overview of systematically planning, testing, and implementing information systems in various organizations. The course explores the development life cycle of a system. Logical methodologies of designing information systems are incorporated in the form of a final project. (Prerequisite: CIS 1256)

**CIS 3263 Electronic Commerce** (F,S) 3 credits

Explores the basic concepts and strategies for understanding expanding opportunities in relation to electronic commerce. Organizational, business, managerial, and strategic implications for electronic commerce will be examined.

**CIS 3265 JavaScript** (E) 3 credits

Expands on the basics of web page design. Students explore ways of expanding the capabilities of web pages through the use of JavaScript. (Prerequisite: CIS 2257)

**CIS 3267 Digital Video II** (F) 3 credits

A presentation of nonlinear audio and video creation methods. Students become proficient in the art of videography, editing video clips, and integrating audio tracks. This course explores digital storytelling through visualization, storyboarding, and nonlinear editing. (Prerequisite: CIS 2268) *Lab fee of \$25.00.*

**CIS 3273 Business Applications** (F,S) 3 credits

Explores various software programs used in business and the latest technology that aids organizations and seeks to project future changes. Developments that impact business computer applications are examined. (Prerequisite: CIS 1256)

**CIS 3276 Advanced Web Design** (S) 3 credits

Students design and program professional quality Web sites with HTML and Dreamweaver. Course work includes the use of scripting languages, CSS formatting, interactive forms, and advanced productivity feature of Dreamweaver. Students acquire an appreciation for effective interface design with a focus on readability, style, navigational structures, and information hierarchy resulting in well organized, engaging, user friendly Web projects. (Prerequisite: CIS 2257) *Lab fee of \$25.00.*

**CIS 4262 Management Information Systems** (F/S) 3 credits

A capstone course for Computer Information Systems. Examination of organizational structures and how each level can provide useful information. Students will explore how the organization develops and maintains an information system. A final project will be developed applying the concepts of management information systems. (Prerequisite: CIS 3251 or CIS 3259)

**CIS 4271 Advertising Design** (F) 3 credits

This course provides vital advertising concepts, vocabulary, and graphics production skills for the aspiring digital media professional. Advertising Design trains students to apply critical thinking and problem-solving in terms of branding, demographics, and target market. Class projects expose students to a variety of media and delivery strategies as they create both individual advertisements and advertising campaigns. (Prerequisites: CIS 2216 or CIS 2264). *Lab Fee of \$25.00*

**CIS 4900 Portfolio Seminar** (F) 3 credits

In this capstone course, students learn how to assemble their work into a professional portfolio. Students investigate specific areas of the industry and prepare portfolios and digital resumes geared towards their area of interest. (Prerequisite: Senior Standing) *Lab fee of \$50.00.*

**CIS 2261/3261/4261 Topics in Computer Information Systems (E) 3 credits**

An examination of areas within Computer Information Systems. The area of study will relate to various organizations. Topics will be announced prior to registration. (Prerequisite: CIS 1256) Topics courses cannot exceed nine (9) credits.

**COOPERATIVE EDUCATION/FIELD PLACEMENT**

**COE 1100 Learning Essentials and Self Discovery (F/S) 3 credits**

Discover how your choices directly impact your opportunities for greater success in college and life. Topics include accepting personal responsibility, discovering self-motivation, mastering self-management, employing interdependence, gaining self-awareness, adopting life-long learning, developing emotional intelligence, believing in oneself, and identifying individual learning styles and effective learning strategies. The development of critical thinking skills is implemented through self-assessments, case studies, guided journaling and an individual research project.

**COE 4606 Career Development I (F/S) 4 credits**

Course content will focus on interviewing techniques, communication skills, job searches, job fairs, local One-Stop-Center, networking, career testing (aptitude/interests), time management, organizational skills, and business ethics. Requires 40 field placement hours designed to further focus career choice and provide practical experience and job coaching.

**COE 4607 Career Development II (F/S) 4 credits**

Weekly seminars will develop the student's understanding of current trends in the workplace, typical workplace problems, and an employee's role in the organization. Requires 40 field placement hours designed to further focus career choice and provide practical experience and job coaching. Students also develop a transitional plan from college to the workplace.

**EDUCATION**
