2016 Annual Report

(Crime Statistics for 2013-2015)

September 29, 2016

To: All Beacon College Students, Faculty, Staff, and Guests

Subject: The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

Beacon College's Department of Campus Safety is committed to providing a safe and secure environment for our students, faculty, staff and guests to live, work, learn, and visit. Although we are not a sworn law enforcement agency, the Department of Campus Safety embraces the philosophy of "Community Policing" and share the belief that campus safety and security can only be accomplished through a unified partnership involving the officers, students, faculty and staff and also the community at large.

The Department of Campus Safety seeks to provide friendly, customer service oriented interaction to all students, faculty, staff and community members. It is our intent to provide an atmosphere where everyone feels that they are safe during their visit or stay at Beacon College.

When you review the statistics, you will notice that Beacon College is a relatively very safe campus. The general sense of safety you experience is due in large part to the collaborative efforts of several departments and individuals.

The Department of Campus Safety is committed to maintaining active and close partnerships with our area law enforcement agencies which consist of the Leesburg Police Department, the Lake County Sheriff's Offices, as well as the Office of the State Attorney's Office 5<sup>th</sup> Judicial Circuit.

We must all keep in mind that safety is a shared responsibility and we rely on every member of the College community to contribute. This can be accomplished by reporting suspicious activities and using common sense when going about your daily activities.

In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, every institution of higher education is required to annually prepare a Uniform Campus Crime Report. Each year, an email notification is made to all enrolled students, faculty and staff providing information on how to access this report online. The report is also available at any time in the Department of Campus Safety.

Sincerely,

Ryan Nesbitt - Director of Campus Safety

The **Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act**, codified at 20 USC 1092 (f) as a part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose certain timely and annual information about campus crime and security policies. All public and private institutions of postsecondary education participating in federal student aid programs are subject to it. Violators can be "fined" up to \$35,000 by the U.S. Department of Education, the agency charged with enforcement of the Act and where complaints of alleged violations should be made, or face other enforcement action.

The Clery Act, originally enacted by the Congress and signed into law by President George Bush in 1990 as the **Crime Awareness and Campus Security Act of 1990**, was championed by Howard & Connie Clery after their daughter Jeanne (pictured right) was murdered at Lehigh University in 1986. They also founded the non-profit Security On Campus, Inc. in 1987. Amendments to the Act in 1998 renamed it in memory of Jeanne Clery.

The Crime Awareness and Campus Security Act (Title II of Public Law 101-542), which amended the Higher Education Act of 1965 (HEA), which required all postsecondary institutions participating in Title IV student financial aid programs to disclose crime statistics and security information.

The Clery Act requires higher education institutions to collect crime data, report, and disseminate this information to the campus community and to the Department of Education. The Act is intended to provide students and their families around the country with accurate and complete information about the safety of colleges and universities in the United States.

**The Campus Security Act requires Colleges and Universities to:**

- Publish an annual report every year by October 1 that contains three years of campus crime statistics and certain campus policy statements.
- Disclose crime statistics for the campus, public areas immediately adjacent to or running through the campus, and certain non-campus facilities and remote classrooms. The statistics must be gathered from campus security, local law enforcement and other university officials who have "significant responsibility for student and campus activities."
- Provide "timely warning" notices of those crimes that have occurred and pose an ongoing "threat to students and employees."

- Disclose in a public crime log “any crime that occurred on campus or within the patrol jurisdiction of the campus security and is reported to the Department of Campus Safety. **The Beacon College Department of Campus Safety is responsible for preparing and distributing this report. We work with many other departments and law enforcement agencies such as the Leesburg Police Department and the Lake County Sheriff’s Office.**

### **Daily Crime Log**

The Department of Campus Safety maintains a Daily Crime Log that records criminal incidents and alleged criminal incidents that are reported to the Department of Campus Safety. The log records the following information; date, time, nature, location and disposition of the complaint if known. The Daily Crime Log is available for public inspection at the Campus Safety Operations Office. The information is posted on the Daily Crime Log within two business days of receiving a report of an incident and reserves the right to exclude reports from the log that would cause an adverse effect to an investigation.

### **Emergency Notification and Timely Warnings**

The Department of Campus Safety and the Information Technology Department is responsible for making notifications to all students, faculty and staff members for emergencies involving any serious threat to the campus, weather advisories and fires. One of the notification systems is the E2 Campus Alert. This system notifies students, faculty, staff and Residential Halls of any emergency announcements that are made via text messaging to cellular phones and e-mail. All students, faculty and staff are encouraged to sign up for this notification system.

The Department of Campus Safety will issue Timely Warnings when information is received that could impact the campus community. Members of the community who know of a crime or serious incident should immediately report that information as soon as possible to the Department of Campus Safety so that a Campus Safety Alert can be issued if warranted. The Department of Campus Safety distributes Alerts via the College Wide E-mail distribution.

### **Emergency Response and Evacuation Procedures**

Beacon College Department of Campus Safety officers and supervisors receive training in Incident Command and Responding to Critical Incidents on Campus. When a serious incident occurs that causes an immediate threat, the first responders to the scene are usually the Department of Campus Safety, Leesburg Police Department and Leesburg Fire and Emergency Services and they usually work together to manage the incident. Depending on the type of incident, other local, state and federal agencies could also be involved in responding. Each College Department is responsible for developing contingency plans and continuity of operations plans for their staff and areas of responsibility.

### **Annual Security Report Policy**

Crime Statistics for the annual disclosure are collected from two primary sources: (1) Law Enforcement Agencies (Leesburg Police Department and Lake County Sheriff's Office) and (2) School Officials with knowledge of formal and informal complaints and disciplinary referrals. who are designated as campus security authorities, (CSAs). Individuals at BEACON COLLEGE are designated as CSAs based on whether they perform the following functions: (1) their official job responsibilities involve significant interaction with students and/or campus activities, (2) they serve as informal or unofficial mentors to students , (3) they serve as a member in an office or of a committee to whom students are informed to report or discuss crimes, allegations of crimes, and other troubling situations, and/or (4) they have oversight for disciplinary procedures.

All complaints, allegation or incidents that fall into the reportable categories must be reported regardless of whether any particular informal or formal investigative process is pursued. When there is doubt whether a crime is reportable depending on its location, the University errs on the side of including the crime, in an effort to provide useful and informative data.

Each year, an e-mail notification is made to all enrolled students, faculty and staff that provide the website address to access this report. Copies of the report may also be obtained at the Department of Campus Safety Office. The report is posted on-line at <http://www.beaconcollege.edu>

### **Reporting Criminal Actions or other Emergencies**

You can help keep the Beacon College campus a safe place for yourself and others by promptly reporting suspicious circumstances. Any suspicious activity or person seen in the parking lots or loitering around vehicles, inside buildings, or around the Residential Halls should be reported to the Department of Campus Safety

immediately by calling 352-638-9799.

All students, faculty, staff and visitors are encouraged to report all criminal incidents, accidents and other emergencies immediately to the Department of Campus Safety. When the incident is considered to be an emergency and requires a law enforcement response the Leesburg Police Department will be notified to respond.

### **Campus Officers Authority**

Beacon College Campus Safety Officers have the authority to ask persons for identification and to determine whether individuals have lawful business at Beacon College. Campus Safety Officers have the authority to issue parking tickets, which are billed to the financial accounts of students, faculty, and staff. Campus Safety Officers do not possess arrest power. Criminal incidents are referred to Leesburg Police Department who has jurisdiction on the campus. All crime victims and witnesses are strongly encouraged to immediately report the crime/incident to the Department of Campus Safety and the police if appropriate. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

### **Working Relationship with Law Enforcement**

The Beacon College Office Department of Campus Safety maintains a close working relationship with the Leesburg Police Department and the Lake County Sheriff's Office. The Chief of the Department of Campus Safety meets regularly with the Police Chief and the Sheriff of both agencies on a formal and informal basis. It is the current policy of the Department of Campus Safety to contact the Leesburg Police Department anytime a Felony crime as defined by Florida State Statutes is reported by a student, faculty or staff member that occurs on campus, or when an incident is brought to the attention of campus safety that has not been reported to the police.

### **Counselors and Confidential Crime Reporting**

The 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus "Pastoral Counselors" and Campus "Professional Counselors", when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged; if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

*Pastoral Counselor*

An employee of an institution, who is associated with a religious order or denomination, recognized by that religious or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.

*Professional Counselor*

A licensed or certified employee of an institution whose official responsibilities includes: providing psychological counseling to members of the institution's community.

**Security Awareness Programs**

New student orientations are held each August and January for freshman and transfer students. Crime Prevention Programs and Sexual Assault Prevention Programs are offered on an ongoing basis. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

**Resources**

The prevention resources that are available in the Department of Campus Safety are: Engraving Marking Machine, Security Marking Pen, Personal Property and Book Inventory Log and a variety of awareness materials.

**Beacon College - Drug Policy**

Beacon College has a "Zero Tolerance" policy regarding the improper use of controlled substance or drug paraphernalia. This policy expressly prohibits: The possessing, manufacturing, distributing or sale of a controlled or illegal substance or drug paraphernalia. Examples of illegal substances are: crack cocaine, ecstasy, "date rape" drugs, marijuana, cocaine, heroin, or any other narcotic or controlled substances except as expressly permitted by law. The "Zero Tolerance" also extends to the aiding or abetting individuals in the illegal possession, use, sale, distribution, or attempted sale or distribution of controlled substances or drug paraphernalia, including allowing persons involved in such activities to visit or stay in their residence hall rooms, or to be in any College owned or operated property over which they have control.

**Beacon College – Alcohol Policy**

The sale, possession or consumption of an alcoholic beverage is prohibited on campus grounds and at off-campus College sponsored events. In addition, the laws of the State of Florida and Federal laws prohibit the possession, consumption and serving of alcoholic beverages by and to persons less than 21 years of age.

### **Missing Student Notification Policy**

Anyone who receives information that a student is missing, or has independent information that a student is missing, must immediately report the information to the Beacon College - Department of Campus Safety, (352-638-9799). If foul play is suspected the report should be made immediately even if it has not been 24 hours. Any report of a missing student will be fully investigated by the Department of Campus Safety. In order to determine if a student is missing, University officials will use all available methods to determine the location of the missing student. The Department of Campus Safety will notify the appropriate local law enforcement agency when the local attempts fail to locate the missing student. If the student has designated an emergency contact person, the College will notify that individual as well. If the missing student is younger than 18 years of age and not an emancipated minor, the College will notify his/her custodial parent or guardian in addition to the emergency contact person identified by the student.

### **Emergency Contact Information**

In compliance with the Federal Higher Education Opportunity Act, federal law, 20 U.S.C. § 1092j, Residential students may identify an individual to be designated as an emergency contact. The emergency contact will be notified by the College within twenty-four hours if circumstances indicate that the student may be missing. The student should notify their choice of emergency contact that he/she has been designated as an Emergency Contact. Every student who resides on campus will be required to fill out the Student Profile Sheet each semester as part of the check-in process to their residential hall and room. The information will be maintained by the Residential Life Coordinator. The student is responsible for ensuring the accuracy of the information provided and updating the information when needed.

### **Beacon College -Prohibits Sexual Misconduct**

Beacon College prohibits all criminal sexual misconduct that includes: rape, acquaintance rape, domestic and dating violence, sexual assault and stalking.

### **Preventing and Responding to Sex Offenses**

Annual educational programs and materials are provided to promote the awareness and risk reduction of criminal sexual misconduct that includes: Sexual misconduct can be generally defined as non-consensual sexual activity, which occurs as a result of intimidation, threat of force, force or coercive behavior, or taking advantage of one who is unable to give consent due to mental or physical incapacitation (Wikipedia 2011). Criminal sexual misconduct most generally refers to acts of sexual misconduct which are felonies and/or misdemeanors according to the criminal code.

In Florida, rape is understood to be sexual behaviors by "forcible compulsion;" that is, without the victim's consent. "Acquaintance rape" is a rape in which the victim, male or female, and the rapist know one another. Legally, there is no distinction between what is commonly known as "acquaintance rape" and what is legally defined as rape.

In addition to rape, the State of Florida lists the following as criminal sex offenses: deviant

involuntary sexual intercourse, aggravated indecent assault, indecent exposure, non-forcible rape (incest and statutory rape), harassment by communication (using lewd and lascivious words or language), and stalking. Students who are victims of rape or other sex offenses are encouraged to report the incident to the Department of Campus Safety, residence hall staff, counseling services staff, or any other appropriate member of the College community. Victims of rape are advised not to change clothes, preserve evidence and do not shower prior to a medical examination.

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Department of Campus Safety strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to the Department of Campus Safety and the Title IX Coordinator. Although filing a police report is encouraged and assistance will be provided to the student complainant, a police report does not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal examination);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

The investigation of serious criminal and sexual misconduct occurring at Beacon College is investigated by the Leesburg Police and assisted by the Department of Campus Safety. The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system and the Judicial Hearing Process. Student Health Services staff and any other appropriate member of the College community are available for support and advocacy for victims throughout the course of the process and will provide written notification various resources on and off campus.

Depending on the findings of the investigation, the College can act to protect the victim's academic and on-campus living arrangements if changes are requested and are reasonably available.

The accuser and accused will be entitled to the same opportunities during disciplinary proceeding. Both the accuser and the accused will be informed of outcomes of any institutional disciplinary proceedings brought alleging a sex offense (the institution's final determination and any sanction against the accused. Beacon College may impose the sanctions of immediate dismissal to expulsion following a final determination of an institution disciplinary hearing proceeding regarding rape, acquaintance rape, or other forcible or non-forcible sex offense.
