

## SUMMER WEBINAR SCHEDULE FOR FUTURE BEACON COLLEGE STUDENTS

### Student Webinars

#### **Learning Support Program** **May 27, 2021**

Students will receive information about how they are academically supported at the College. Information on the Center for Student Success, working with Learning Specialists, and other resources on campus will be highlighted.

#### **Connecting to the College Campus** **June 15, 2021**

Students hear from current Beacon College students regarding how they became members of the community during their time here! Best practices, tips, and perspectives will be shared to help students learn how to navigate their new social world.

#### **Housing & Campus Safety** **July 20, 2021**

Living on your own can be hard and scary, however, Beacon has excellent resources to help you during this change! This student webinar will focus on housing policies along with how Campus Safety operates to help ensure a successful launch to college.

#### **Orientation Overview for Students and Parents** **August 4, 2021**

The final webinar of Navigator PREP Plus will be a day-by-day overview of Orientation. This frontloading allows for students and parents to understand expectations and ask last questions before arriving on August 15th!

### Parent Webinars

#### **Support Services at Beacon College** **May 25, 2021**

Parents will receive a more holistic overview about support services operate at the College and how the campus collaborates to implement earlier interventions. This session will highlight both academic and non-academic services.

#### **Coping with Separation** **June 17, 2021**

Parents will hear from other Beacon College parents regarding how they managed the transition over the past year. Facilitated by our Transition Team, this panel discussion will allow parents to hear about real-life experiences once the student departs.

#### **Navigating Communication in College** **July 22, 2021**

Hear from the Center for Student Success as they discuss optimal strategies to enhance communication with your student while they are away. Additional information will be shared regarding communication practices with parents.

*To get the most out of your Navigator PREP experience, we encourage you to participate in each live session. However, we understand that you may have conflicting obligations in the summer. Each webinar will be recorded and can be made available to you if you are unable to attend a live session.*
