

BEACON COLLEGE

Beacon College Airport Shuttle Information / Schedule 2021-2022

Transportation Office (352) 638-9784

Beacon College offers Transportation Shuttle Service to and from the Orlando International Airport.

Cost: \$50.00 for a one-way, pre-paid ticket. A discount is offered if round-trip shuttle tickets are available for advanced purchase. When round-trip booking is available, the cost will be reduced to \$45.00 for each one-way, pre-paid shuttle trip, totaling \$90.00.

This service is a structured, scheduled group pick-up and **not** an individual taxi service. Students may have to wait at the terminal. Reservations are on a "first-come, first-served" basis. Please indicate if a wheelchair-accessible vehicle will be required.

Where: ONLY to and from MCO (Orlando International Airport). Beacon College does not offer services to Sanford Airport, Tampa Airport, Daytona Airport, or to the Amtrak Station.

Beacon College has specific dedicated times to transport students. **Beacon College cannot change the shuttle times to match the arrival or departure times of an individual student's flight.** A student may have to wait at the terminal for the scheduled pickup from the airport. If the student's flight arrival time is after a scheduled pickup, the student will need to independently contact a commercial taxi, limo service, or rental car service.

Bags: The student is responsible for his/her bag removal from the bus. Please keep luggage to a minimum due to limited space. No wave boards, golf clubs, or unusually large luggage will be permitted onboard.

Departures: Students will be dropped off at **Ground Transportation Level 1 in both Terminals A and B.** There will **not** be an escort available to walk the student to the ticket counter or their gate.

Arrivals: Students will be picked up at **Ground Transportation Level 1 (one level below Baggage Claim) in both Terminals A and B.**

The bus does not have assigned lanes in Ground Transportation. Please watch for the Blue and White Beacon College Bus to approach.

Beacon College is not responsible if the student fails to board the scheduled flight after they are dropped off at the airport, nor is Beacon College responsible if the student does not board the shuttle at Beacon College at their scheduled departure time.

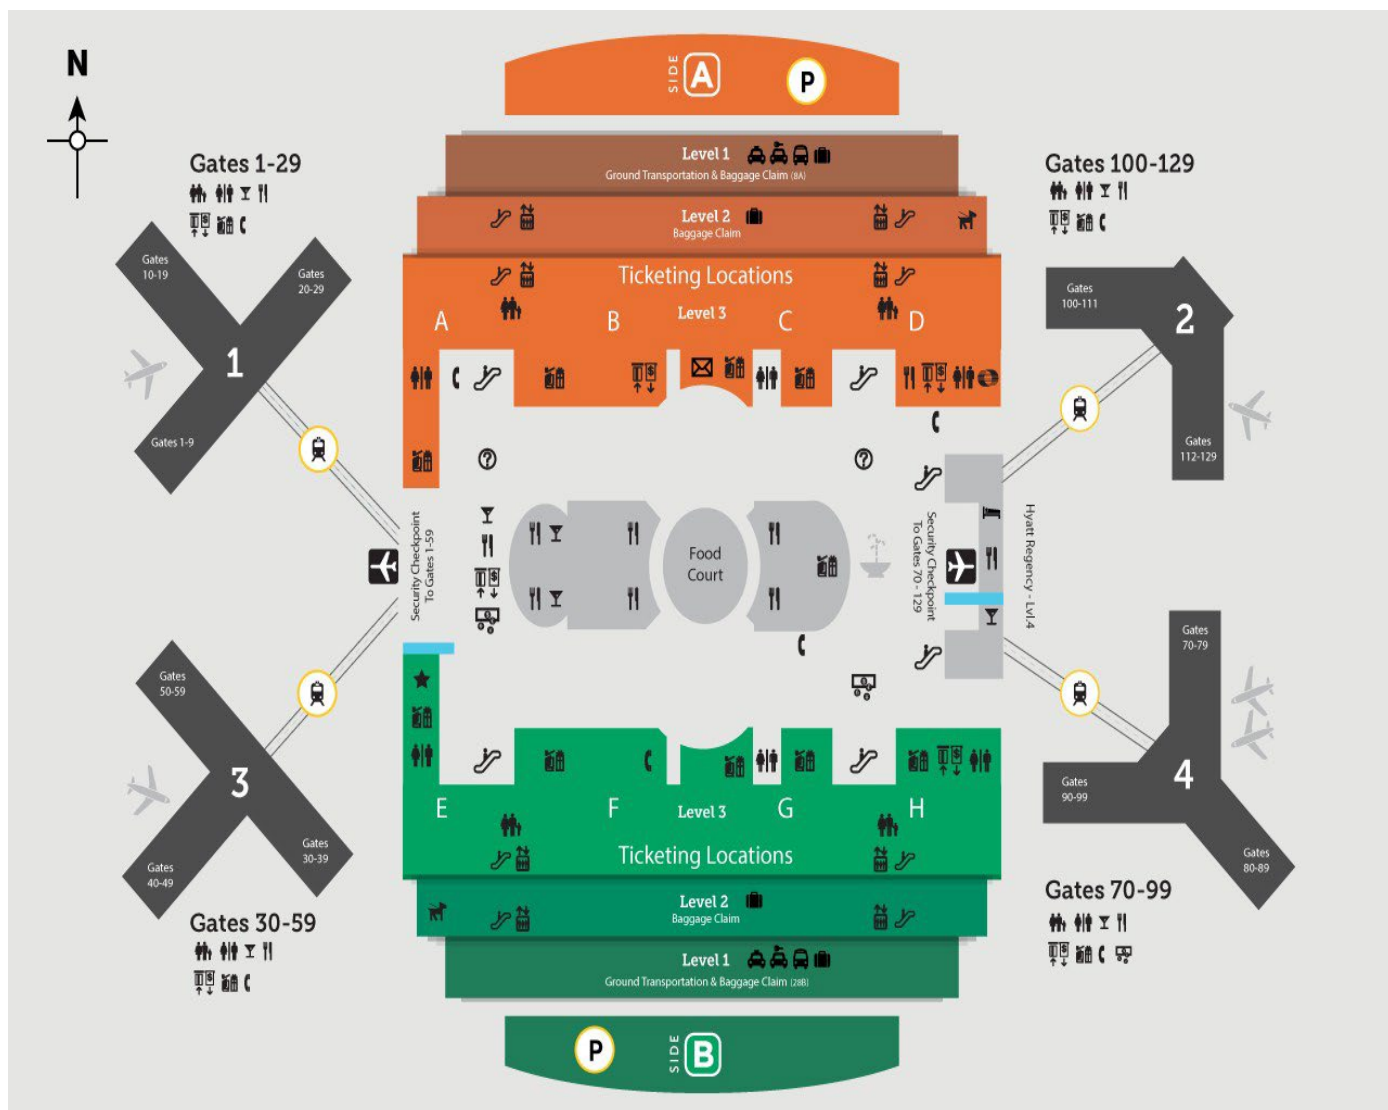

Refunds: Beacon College cannot provide a "make-up" trip. If a student must use a commercial shuttle service and it is the Airline's fault, a refund or credit from Beacon College in the amount of the fee originally charged by Beacon College will be issued to the student. **No refunds will be issued if the student changes their plans/makes other arrangements or is responsible for missing the shuttle.**

If a flight is **delayed by the airline** and the student misses the Beacon College Shuttle Bus, the student should arrange other transportation services. Village Airport Van is local to the college and provides scheduled transportation to and from the college campus and is commonly used by students that have flight times outside of the College's Airport Shuttle Schedule. Village Airport Van is not endorsed by Beacon College in any way.
