Summer Program Scholarship Application

The Beacon College Summer Program for high school students and recent graduates awards a limited number of partial scholarships based on a family's demonstrated financial need and the availability of funds. Awards can vary greatly depending on the student's individual circumstances.

As the scholarship awarding process is competitive, we strongly encourage you to submit your scholarship application at the same time as you submit your application for admission. While we will review all applications, we cannot guarantee all eligible applicants will receive a scholarship. For priority consideration, students must submit a completed Summer Program application and scholarship application no later than February 1. Note, scholarships will continue to be reviewed and offered after the February 1st priority consideration deadline.

In addition to seeking funds from Beacon College, we suggest you begin discussions now with your guidance counselor and others in your community about possible sources of additional financial assistance.
